

**Report on  
General Elections to  
Tamil Nadu Legislative Assembly - 2016**

**Narrative Report**

**Office of the Chief Electoral Officer, Tamil Nadu**

## **FOREWORD**

The General Elections to the 15<sup>th</sup> Tamil Nadu Legislative Assembly were held on 16<sup>th</sup> May 2016 and the Tamil Nadu Legislative Assembly constituted on 21.05.2016. The elections have demonstrated the democratic urge, very deep rooted in the people of India. It has indicated their faith in the constitutional system. The successful conduct of the polls has proven that democracy has taken very strong roots in India.

It is customary to prepare and publish a Comprehensive Report covering all aspects of the conduct of the General Elections so that it serves as useful reference material for all those interested in obtaining information about the Elections. This book, entitled “Narrative Report on General Elections to Tamil Nadu Legislative Assembly 2016” has been brought out highlighting the various aspects of electoral administration and management in the General Elections to Tamil Nadu Legislative Assembly 2016. The statistical data on the results of the poll is also incorporated in this report.

It has been our endeavor to put together all the important facets of the process of elections. Consequently, the compilation this time is much more comprehensive than in the past. The officers and staff of the Elections Department have all contributed their mite in bringing out the Report. They had, of course, for this purpose, obtained detailed inputs from the District Election Officers/ Returning Officers.

I hope this report would act as a useful Reference Material for the conduct of elections, and also as a guide for the future election machinery in conduct of elections.

## Chapter-I

### INTRODUCTION

Elections in India are conducted according to the constitutional provisions, supplemented by laws made by Parliament. The major laws are Representation of the People Act, 1950, which deals with the preparation and revision of electoral rolls. The Representation of the People Act 1951 deals with all aspects of conduct of elections and post-election disputes. The Members of the Parliament at the Central Level and Members of Legislative Assembly at the State Level are selected through these elections. Parties which enjoy the confidence of these legislative bodies, form the Government. India is today the largest democracy in the world, with the right to vote to its citizens being at the heart of this democracy.

India being a country of sub-continental proportions, the conduct of elections involves complexity at an amazing scale. To ensure that these elections are conducted in a free and fair manner, Constitution has mandated that the task of superintendence, directions and control of conduct in an independent body in the form of the Election Commission of India. The Election Commission of India is an autonomous constitutional authority responsible for administering election processes in India. The body administers elections to the Lok Sabha, Rajya Sabha, State Legislatures, and the offices of the President and Vice President in the country. The Election Commission operates under the authority of Constitution as per Article 324, and subsequently enacted the Representation of the People Act. The Commission has the powers under the Constitution, to act in an appropriate manner when the enacted laws make insufficient provisions to deal with a given situation in the conduct of elections.

The Commission had conducted simultaneous elections to the Lok Sabha and Legislative Assemblies of the States in 1952 and 1957. However, the conduct of elections for both Parliament and State Legislatures simultaneously obsoleted. In Tamil Nadu, simultaneous elections had been till 1971, but from 1977 onwards it became divergent. The following table shows the information about the year of conduct of General Elections to the Legislative Assembly from the beginning, the electorate and the poll percentage

<b>Year of General Elections</b>	<b>Electorate</b>	<b>Number of Electors who voted</b>	<b>Percentage of Voters</b>

The term of the fourteenth Tamil Nadu Legislative Assembly expired on 22.05.2016, and so the Election Commission of India had announced the schedule for the General Elections to Tamil Nadu Legislative Assembly 2016 on 04.03.2016. Subsequent to the announcement of elections on 04.03.2016 by Election Commission, the Model Code of Conduct came into force. The official Notification for conduct of elections was issued on 22.04.2016 and published in an extraordinary issue of the Tamil Nadu Government Gazette dated 22.04.2016. The poll for the 15<sup>th</sup> Tamil Nadu Legislative Assembly was held on 16<sup>th</sup> May, 2016 in respect of 232 Assembly Constituencies out of total number of 234 Assembly Constituencies in the State of Tamil Nadu (except 134. Aravakurichi and 174. Thanjavur Assembly Constituencies which were partially rescinded by the Election Commission of India due to the vitiating effect of the money power created by the distribution of money and gift items to the electors of the

above Constituencies thereby losing its intensity and a more congenial atmosphere conducive to the conduct of free and fair election and the counting of votes for the above said polling process was taken up on 19.05.2016 in 232 counting centers at 68 locations.

This election was held as per the newly delimited Constituencies in the year 2007-2008, based on the population as per the 2001 Census. The total number of seats are 234, in which the number of SC seats are 44 (Forty Four), and number of ST seats are 2 (Two).

Due to the increase of electorate from 5,51,14,867 existed at the time of General Elections to Lok Sabha held in 2014 to 5,82,01,687 (service voters not included) during the Legislative Assembly Elections, held in 2016, 5,190 polling stations were increased to facilitate the electors for their greater participation in electoral process. Totally there were 66,007 Polling Booths(including Auxiliary polling Booths) set up in **29,551** locations. 3.24 lakhs polling personnel were deployed for poll duty.

3,776 candidates contested for 234 Assembly seats, as against 2,748 during the poll in 2011 which constitutes a 37.4% increase in the number of contestants in the Assembly election held in 2016. The maximum number of contestants was 45 from I I. Dr. Radhakrishnan Nagar Assembly Constituency in Chennai District, while the minimum number of contestants were 8 for each from 42. Arcot Assembly Constituency in Vellore District, 109.Gudalalur Assembly Constituency in The Nilgiris District and 161. Mayiladuthurai Assembly Constituency in Nagapattinam District.

For ensuring the maintenance of law and order, peaceful, free & fair poll and due protection and security to the election officers, polling personnel and polling materials as well as to the candidates, leaders of political parties and other important functionaries in each constituency totally 300 companies of Central Armed Police Force have been allotted by the Commission. This was in addition to the 84,976 State police,8,000 numbers of Tamil Nadu Special Police (TSP), 15 numbers of special Police Battalions and 40,431 non police personnel such as ex-service men, retired police men etc.

One of the new initiatives seen in TNLA election 2016 was the setting up of a new elaborate structure of expenditure monitoring. The Election Commission of India wanted to ensure that the illegal use of money does not play a decisive role in affecting the electoral process in the State and hence 702 Flying Squads and 702 Static Surveillance Squads were deployed to seize illegal use of money to bribe voters. In addition to this 181 Expenditure Observers, 234 Video Surveillance Teams, 234 Video Viewing Teams, and 234 Accounting Teams were formed to monitor the legal expenditure of candidates. The Central Police Force was also extensively deployed in expenditure control.

The Election Commission of India has been taking various initiatives to inform, educate, motivate and facilitate the voters and the prospective voters under the SVEEP programme to create awareness among the public, especially urban people and youth for enrolling themselves and exercising their franchise fairly and without fear. As a result of such efforts, out of the total electorate of 5,82,01,687 at the time of elections, 4,35,59,808 electors exercised their franchise for the Assembly Elections in 2016. The percentage of Poll for the whole of the State was 74.84%

The conduct of General Elections to the Tamil Nadu Legislative Assembly was a success with almost all constituencies witnessing peaceful elections without any major incident. The fifteenth Tamil Nadu Legislative Assembly was duly constituted on 21.05.2016 and the first sitting was held on 25.05.2016.

### ELECTORAL ROLLS

#### 2.1 Special Summary Revision of Electoral Rolls, 2016

2.1.1 For a free and fair election, an accurate and error-free electoral roll is the most important pre-requisite. Electoral Roll is a listing of those registered to vote in an area. It is an Electoral Register prepared at Assembly Constituency level and it facilitates the process of voting. A defective roll would lead to electoral malpractices like bogus voting and impersonation. It is the Constitutional responsibility of the Election Commission of India (ECI) to ensure conduct of free and fair elections to the House of People and the Legislative Assemblies of States. For achieving this, the ECI takes up revision of Rolls every year.

2.1.2 As per the directions of the Election Commission of India, Special Summary Revision of Electoral Rolls with reference to 01.01.2016 as the qualifying date was undertaken in the last quarter of 2015. The draft rolls for Special Summary Revision, 2016, integrating all the supplements in a single roll, were published in all the districts on 15.09.2015 and the final rolls were published on 20.01.2016.

2.1.3 The schedule of the Special Summary Revision, 2016 was as follows :

**Table : 2A**

Activity	Date
Date of publication of draft electoral roll	15 <sup>th</sup> September 2015
Period of filing Claims and Objections	From 15 <sup>th</sup> September 2015 to 24 <sup>th</sup> October 2015
Reading of relevant part/section of photo electoral rolls in Grama Sabha / Local Bodies and RWA meetings etc. & verification of names	16 <sup>th</sup> September 2015 and 30 <sup>th</sup> September 2015
Special Campaign Days	20 <sup>th</sup> September 2015, 4 <sup>th</sup> October 2015 & 11 <sup>th</sup> October 2015
Final Publication of Rolls	20.01.2016

2.1.4 The total number of inclusions, deletions and modifications during the Summary Revision 2016 was as follows :

**Table : 2B**

	<b>Male</b>	<b>Female</b>	<b>Others</b>	<b>Total</b>
<b>Inclusions</b>	7,78,504	8,39,288	734	16,18,526
<b>Deletions</b>	2,10,563	1,74,678	52	3,85,293
<b>Modifications</b>	1,98,631	1,71,511	41	3,69,983

2.1.5 As per the final Electoral Rolls of Summary Revision, 2016, the total electorate in Tamil Nadu was **5,79,15,482 (Male: 2,88,17,750; Female: 2,90,93,349; Others: 4,383)**.

## **2.2 Special Enrolment Weekend Camp :**

2.2.1 Since the General Elections to Tamil Nadu Legislative Assembly, 2016 were scheduled to be held before May 2016, i.e. after the publication of final rolls of Special Summary Revision, 2016, continuous updating of electoral roll was taken up during the interim period. In order to have accurate error-free electoral rolls for the General Elections to Tamil Nadu Legislative Assembly, the Election Commission of India has issued instructions regarding conduct of Focused Special Continuous Updation of Electoral Rolls from 20.01.2016. Commission's instructions were communicated to all concerned for scrupulous compliance. The Commission had also directed to conduct two Special Enrolment Weekend Camps. These camps were scheduled on **31.01.2016 (Sunday) and 05.02.2016 (Saturday)**. Accordingly, the two Special Enrolment Weekend Camps were conducted on those days. During these Special Camps, 752361 Form 6 applications, 60689 Form 7 applications, 115975 Form 8 applications and 61442 Form 8A applications were received.

## **2.3 Special Drive for Electoral Roll Purification:**

2.3.1. Subsequently, based on the inputs received from some political parties, in order to achieve high fidelity and accuracy in the Electoral Rolls of 5 poll-going States, the Election Commission of India had directed that repeat/multiple entries, repeat EPIC numbers and entries of dead voters need to be removed to the extent possible during Continuous Updation, 2016. The Commission had directed to launch 'Special Drive for Electoral Roll Purification Programme' in the poll-going States of Assam, Kerala, Tamil Nadu, West Bengal and the Union Territory of Puducherry.

2.3.2. Accordingly, wide publicity to the electoral roll purification drive was given through paid advertisements in the newspapers, press releases, pamphlets etc. from the Chief Electoral Officer's office and from the offices of the District Election Officers. All the recognized Political Parties were informed of the above special drive seeking their cooperation. A meeting was also conducted with the representatives of the recognized political parties on 16.02.2016 and the

modalities of the special drive were explained. Similarly, the District Election Officers have also conducted meetings with the political parties in their headquarters. Advertisements for people to come forward and disclose the names of dead persons in electoral roll etc, were also given. A help line was opened wherein people can call and inform the persons who ought to have been removed from the electoral roll.

2.3.3. In the above said process, the Election machinery carried out a detailed exercise of identifying the dead/multiple entries through the following methods:

- (1) Dead voters list was prepared from the death registers of Municipal Corporations, Municipalities, Town Panchayats and Village Administrative officers. This list was verified by field inspections by the BLO. The copies were shared with political parties and displayed on the notice board of EROs and on the website of the district and CEO.
- (2) De-duplication list through software was generated with names and father's name having phonetics match. Phonetics match is bigger than exact name match. This covers even similar sounding spellings. One of the examples is software for exact spelling match. The software will consider 'Ashok' and 'Ashokk' as different names but software for phonetics match considers it as the same. This effectively took care of similar names with minor spelling difference as well. After this list was prepared, photos were matched manually by engaging more than 600 data entry operators across the State. A separate list where photos also matched was prepared and sent for field verification. The list was also shown to the political party agents. It was widely reported in the newspapers.
- (3) List of entries where the EPIC number is matching and the names are also matching was prepared through the computer and was sent for field verification.
- (4) Form 7 is the form where people can object the inclusion of new names or existing entries. All such forms are sent for field verification.

The above lists were handed over to the BLOs for 100% field verification. Two meetings of BLOs and BLAs were held on 19.02.2016 and 24.02.2016 where the lists of proposed deletions were shared with the BLAs. The concurrence and objections of the BLAs were recorded on the list as well. The whole exercise has been carried out in a transparent and fair manner. As a result of the Special Drive for purification of Electoral Rolls in Tamil Nadu, after detailed field verification by the electoral machinery, the following deletions were done :

Dead Entries	2,85,637
Multiple/Repeated entries	2,68,217
EPIC repeated entries	7,465
Under Form 7	1,14,740
<b>Total</b>	<b>6,76,059</b>

## 2.2 Preparation of final Electoral Rolls for General Elections to Tamil Nadu Legislative Assembly, 2016

At the end of the Special Drive for Electoral Roll Purification Programme, the Election Commission of India gave concurrence for preparation of a basic roll as per Rule 22(3) of the Registration of Electors Rules, 1960 integrating the mother roll + Supplement I (published on 20.1.2016) with the corrections and *suo motu* deletions made during the special drive and the same was published on 29.02.2016. The following modalities were carried out during the integration of the rolls:

The following were integrated:

- (i) Mother Rolls (integrated draft rolls published on 15.09.2016)
  - (ii) Supplement-I (comprising the accepted cases of claims and objections submitted during 15.09.2015 to 24.10.2015)
  - (iii) Supplement-II (comprising the accepted cases of claims and objections submitted during 21.01.2016 to 29.02.2016 and the amendments arising out of the Special Drive for purification of the rolls carried out during 15.02.2016 to 29.02.2016)
- All the entries with **Deleted** marks in the Mother Roll were removed. The serial numbers of the electors were rearranged accordingly.
  - The Supplement-II was made available to the public by way of publication in Chief Electoral Officer's website. Supplement-II was also supplied separately to the political parties.
  - Two copies of the basic roll were supplied to all the recognized political parties and the Supplement-I (comprising the accepted cases of claims and objections submitted during the period from 01.03.2016 up to 19.04.2016, i.e. ten days before the last date for filing of nominations) was supplied to them after the last date for filing of nominations.
  - The basic roll + Supplement-I were used for the General Elections to the Tamil Nadu Legislative Assembly, 2016.

2.2.4 As per the Electoral Rolls used for the General Elections to the Tamil Nadu Legislative Assembly, 2016, the total electorate in Tamil Nadu excluding service voters was **5,82,01,687 (Male: 2,88,63,013; Female: 2,93,33,954; Others: 4,720)**. Constituency-wise details are given in Format 4B in **Annex 2.1**.

## 2.3 Booth Level Officers (BLOs)

2.3.1 Based on the Commission's instructions, one Booth Level Officer (BLO) for each Part of the Electoral Roll was appointed throughout the State, to enable its up-to-date maintenance. Because of this institution, eligible voters can have easy access towards getting their names registered and also the names of dead and shifted voters can be periodically weeded out. Being the custodians of rolls at the local level,

the BLOs are accountable for ensuring the fidelity of electoral roll. They were expected to carry out periodic field verification to identify the missing and surplus names and take action for inclusion and deletion, as the case may be. They were also mandated to maximize the EPIC coverage. The BLOs are regular Government servants who are given an honorarium for taking up the responsibilities of BLO. While the aim was to get local residents appointed as BLOs, in absence of available Government servants, those working in the polling station areas were also appointed as BLOs in such cases. The total number of BLOs appointed was 65621 for the 65616 parts (including 5 cantonment BLOs). The district-wise details of BLOs appointed during the General Elections to Tamil Nadu Legislative Assembly, 2016 in the State are given in **Annex 2.2**.

#### 2.4 Booth Level Agents (BLAs)

2.4.1 For ensuring active participation of political parties in the electoral roll revision process, the ECI called for appointment of Booth Level Agents by the recognized parties for each polling station. During the Special Summary Revision, 2016, the District Election Officers were directed by the Commission to persuade the Political Parties to identify and appoint a Booth Level Agent (BLA) at each polling station level to work in coordination with the BLO concerned in the revision process, including taking part in the Special Drive for Electoral Rolls Purification Programme conducted from **15-02-2016 to 29-02-2016**. During this Special Drive, the BLOs had to go through the voter rolls with BLAs of the recognized political parties of the State to identify the corrections. However, there was only mixed response from the side of political parties with the appointment of BLAs. The details of BLAs are given in **Annex 2.3**.

#### 2.5 Analysis of health of electoral rolls

2.5.1 Clean and error-free Electoral Roll is the pre-requisite for the conduct of free and fair elections. One of the ways to assess the correctness of the rolls is to analyze certain indicators such as the Electoral-Population ratio, Gender ratio and Age-cohort ratios. To analyze the health of Electoral Rolls, the Election Commission of India had prescribed certain Formats since the Summary Revision of 2008. This includes comparison of the electorate strength and sex ratio with that of the projected population (male & female) not only with the total in 18+ age-group but also age cohort-wise. The status of EPIC coverage as well as images in the Electoral Rolls is also covered in one of the Formats.

2.5.2 As per the Rolls utilized for the General Elections to Tamil Nadu Legislative Assembly, 2016, the gender ratio for the State Electoral Rolls was 1016 against 997 as per the projected Census 2016 sex ratio. District and Assembly Constituency-wise details are given in **Annex 2.4** (Format 1B).

2.5.3 Further, as per the data received from the districts, 75.08% of the total eligible electors were enrolled in the Electoral Rolls of the State. The total projected 18+ population was 70.25 % of the total projected census population while the electoral strength ratio to the total projected population (EP ratio) was 106.88%. The minor difference may be due to the fact that there may be some error in the projected population, which have been projected based on the trend in 2001-2011 and not on the real time trend of 2011-2016. The District/Assembly Constituency-wise details are given in **Annex 2.6**(Format 3).

2.5.4 However, cohort-wise analysis reveals under representation of the 18-19 age group. For this group only 2.72% of the eligible voters had been enrolled – against the requirement of 3.38 % of population being of 18-19 age group, only 2.72 % were there in the electoral rolls as compared to the entire population. The District / Assembly Constituency-wise and Age-cohort wise details are given in **Annex 2.6** (Format 3 and 3A).

2.5.5 The photo coverage in the Photo Electoral Rolls was 100% and the EPIC coverage ratio was also 100%. Assembly Constituency-wise details are given in **Annex 2.7** (Format 5B), **2.8** (Format 5C) and **2.9** (Format 5D).

2.5.6 The total number of service voters was 54,375. The Assembly Constituency-wise details are given in **Annex 2.10** (Format 7).

## **2.6 Roll Observers**

2.6.1 For ensuring preparation of error-free and clean electoral roll, the Election Commission had appointed 15 Roll Observers on a zonal basis in the State. They were mandated by the Commission to oversee the process of updating of the electoral roll during the Special Summary Revision, 2016. The Roll Observers helped District Election Officers in the preparation of defect-free Rolls. Chief Electoral Officer gave them a briefing about the latest instructions of the Commission regarding the BLOs, the BLAs and the Roll Revision process. Following were the Roll Observers and the districts allotted to each :

2.6.2 The ECI indicated in its order the number and time of visits by the Roll Observers to the districts allocated to them to monitor the revision process as follows:

- a. First visit during the period of receipt of claims and objections.
- b. Second visit during the period of disposal of claims and objections by the EROs, and
- c. Third visit at the time of verification of the working copy by the BLOs, and final publication of the roll.

2.6.3 Wide publicity was given by the District Election Officers about the visits of the observers along with their contact numbers. They met the public and recognized political parties at pre-announced time and place. A few polling stations in each Assembly Constituency were also visited by them. After their tour in the respective districts the Roll Observers submitted detailed report to the Commission through the Chief Electoral Officer. By this, the Roll Observers played a vital role in maintaining the integrity and sanctity of Rolls.

## 2.7 Distribution of EPIC

2.7.1 As an attempt to improve the fidelity of electoral rolls and to evolve methods for eradicating bogus voting, the Electors Photo Identity Cards (EPIC) program was taken up by ECI, which was later supplemented with the process of creation of Photo Electoral Rolls (PER). Earlier, the EPIC coverage was taken up in phases in the State starting from the year 1996. But from recent

years EPIC is generated simultaneously along with enrolment of the elector in the Roll and distributed without much loss of time. Tamil Nadu was one of the earliest states to reach the target level of 100% PER and EPIC in the year 2011. Since then this figure has been maintained and it remained so for the General Elections to the Tamil Nadu Legislative Assembly, 2016. (Details are given in **Annex 2.7** (Format 5B)).

2.7.2 The new voters who had been enrolled during the Special Summary Revision, 2016 were given their EPICs on the sixth National Voters' Day (NVD) celebrated on 25<sup>th</sup> of January 2016, provided they were present in the 29,291 NVD functions held in their Polling Station Area / Taluk Head Quarters/District Head Quarters. Totally 16,18,459 voters received their EPICs on the NVD, of which 6,14,892 were in the 18-19 age group. Those who could not collect their EPICs on the NVD were given their EPICs at their houses by the BLOs.

## 2.8. Voter Slips:-

During the General Elections to Lok Sabha, 2014, the ECI included voter slip in the list of alternative identification documents a voter could produce for the purpose of casting one's vote in the polls. To ensure the sanctity of the voters' slip, the Commission directed that the voter slip should be authenticated by the Electoral Registration Officer/Booth Level Officer concerned before distribution.

The General Elections to Tamil Nadu Legislative Assembly, 2016 also, the Election Commission of India had directed that voter slips, including the photograph of the voters, if available in the photo electoral roll, be distributed to all enrolled voters by the District Administration to facilitate the voters to know where he/she is enrolled as a voter at given location of polling station and what is voters' serial number in the said roll. The Commission had prescribed the following format for the voter slip :

### Table

Due to the special efforts taken by the District Election Officers/ Returning Officers in all the 234 Assembly Constituencies, 87.51% of electors were distributed voter slips. This is one factor which is said to have caused a remarkable increase in voters' turnout at each Polling Station for exercising their franchise. The coverage of voters slip distribution in each district is furnished in the **Annexure 2.11**

### POLLING STATIONS

#### 3.1 Setting up of Polling Stations

3.1.1 Polling Stations are provided for clearly demarcated polling areas, covering a specified locality in urban areas or a village in rural areas. Section 25 of the Representation of the People Act, 1951, envisages provision of sufficient number of polling stations by the District Election Officer (DEO), for every Constituency, the whole or greater part of which lies in his/her jurisdiction. Polling Stations are usually located in places/ buildings used normally for other purposes such as schools, government offices, etc. Normally, a polling station would be having a well-defined polling area, covering not more than 1,200 electors in rural areas and 1,400 electors in urban area. However, the Commission's stand is to provide a polling station for every village having more than 300 voters provided there is a suitable building for it. Polling stations should be set up in such a manner that ordinarily no voter is required to travel more than 2 kilometers for casting vote.

3.1.2 At the time of elections auxiliary polling stations need to be set up when the number of electors exceeds the limit prescribed by the Election Commission of India. The Commission had also mandated that the auxiliary polling station shall be located in the same building or in the premises of the original polling station and it shall have the same serial number as that of the original polling station.

#### 3.2 Rationalization of Polling Stations / Parts before the draft publication under Special Summary Revision, 2016

3.2.1 Prior to the Special Summary Revision of Electoral Rolls with reference to 01.01.2016 as the qualifying date, the exercise of rationalization of polling stations was taken up. The DEOs were requested to send the proposals for re-organization of Parts / Polling Stations. The proposals, after due publicity in the local areas and consultation with political parties, sent to the office of the CEO by the District Election Officers. After scrutiny, the proposals were recommended to the Election Commission of India. The Commission approved all the proposals. As a result of this rationalization, the total number of polling stations increased from **65616** to **66007** (including the auxiliary and new polling stations)

#### 3.3 Modifications to the list of Polling Stations before the General Elections to the Tamil Nadu Legislative Assembly, 2016

3.3.1 Owing to the inclusion of new electors during the Special Summary Revision 2016 and the Continuous Updation up to the last date of filing of nominations to the General Elections to the Tamil Nadu Legislative Assembly, 2016, there was an upsurge in the number of electors in some of the Polling Stations of each Assembly Segment. Since conducting elections at these polling stations with number of voters more than the norms would have led to delay and disturbance, instructions

were given to the DEOs to bifurcate such polling stations and to set up them into auxiliary Polling Stations. Also bad condition of certain existing Polling Stations necessitated changes of buildings housing those polling stations. The existing polling stations were relocated to the available new buildings within the same campus. Further, change of nomenclature of the location of the polling stations became necessary consequent on the up gradation / down gradation of the schools wherein Polling Stations were located. Accordingly, the District Election Officers were requested to examine the list of polling stations on the above aspects and send proposals for changes, wherever required. The Election Commission of India accorded approval for all such proposed changes before the conduct of the General Elections to the Tamil Nadu Legislative Assembly, 2016. The District Election Officers were instructed to update the Control Table Data Base (CTDB) with reference to the above changes/ creations and give wide publicity for the relocation of Polling Stations.

3.3.2 Following are the details of creations and changes of polling stations approved by the Election Commission of India.

**Table 3A**

i.	New Auxiliary PSs set up	391
ii.	Change of location/ building of PSs	1797
iii.	Change of Nomenclature of PSs	2652

3.3.3. At the time of the General Elections to Lok Sabha, 2014, there were **54,314** polling stations in the State. Consequent on the subsequent re-organization of the polling stations, the number of polling stations (including the auxiliary and new polling stations) went up to **66,007** during the General Elections to Lok Sabha, 2016. Out of the 66,007 polling stations, 25476 are urban polling stations, while 40531 are rural. These polling stations are spread over 29551 locations, with 7643 in urban and 21959 in rural areas. Constituency-wise details are given in Annexure 3.1 (Format 6)

### 3.4 Model Polling Stations.

During this election, ECI encouraged setting up of model polling stations by the DEOs where the experience of voting by the electors should be very pleasant. Towards this end, 936 model polling stations were setup (4 Model Polling Stations per Assembly Constituency) in the State where facilities like traditional reception, lights, sign ages, good quality furniture (like sofas), toilets, display of 'Do's and Don'ts', chairs, fans for waiting voters, refreshments (such as buttermilk), health centers, etc., were provided. The details of model polling stations are set out in **Annex 3.2**.

### 3.5 ALL WOMEN POLLING STATIONS

The Commission had further indicated that one polling station per Assembly Constituency should be an "All-Women Polling Station" where all the polling personnel and security personnel deployed would be women. Even the counting personnel for these polling stations should be women. Based on the

instructions of Election Commission of India, all DEOs were requested to identify the polling stations to be set up as All-Women Polling Stations and a total no. of 236 All Women Polling Stations were setup (one extra All-Women Polling Station was set up each in 37. Kancheepuram and 214. Thoothukudi Assembly Constituencies). The details of All-women polling stations are set out in **Annex 3.3**.

### **3.6 SEPARATE POLLING STATIONS FOR THE DIFFERENTLY ABLED PERSONS**

As per the instructions of Election Commission of India, to facilitate the differently abled persons, the DEOs were instructed to co-ordinate with the NGOs to identify the areas where large number of differently abled persons were residing, especially the blind and leprosy voters for setting up of separate polling stations. Accordingly, 19 separate polling stations were setup in Chennai, Kancheepuram, Tiruvallur, Tiruvannamalai, Villupuram, Salem, Tiruchirappalli, Erode, Dindigul, Madurai, Pudukottai, Thoothukudi, Dharmapuri and Thanjavur Districts. A statement showing the details is at **Annex 3.4**.

### **3.7 BASIC MINIMUM FACILITIES**

3.7.1. The ECI has directed that voter friendly facilities and amenities should be provided at polling stations. Every DEO has to provide the following Basic Minimum Facilities (BMF) at each polling station: (a) Ramp, (b) Drinking water, (c) Adequate furniture, (d) Proper lighting, (e) Help Desk, (f) Proper signage and (g) Toilet. Besides, shades should be provided at the polling stations for protection from sun and rain for electors coming to poll. Accordingly, all DEOs were directed to make arrangements for provision of these BMFs at all polling stations. Later, the ECI had decided to make the above facilities as obligatory and rechristened them as Assured Minimum Facilities (AMF).

### **3.8 FACILITIES FOR THE DIFFERENTLY ABLED PERSONS**

3.8.1. Online facility for the Person with Disabilities (PWD) electors to register their request for requirement of Volunteers, to assist them at the polling station was introduced and 511 persons applied online with their request for wheel chairs. District collectors had ensured providing basic minimum facilities to facilitate easy access by the differently abled voters. Ramps (with slope not exceeding 1:12), Signages and sign boards were arranged in Polling stations. Ballot papers in Braille language for the visually impaired voters were provided. As per the instructions of the Commission, a Nodal Officer (in the cadre of Assistant Director) was deputed from the Office of the State Commissioner for Differently abled and stationed at the office of the CEO during Jan-May, 2016 to co-ordinate with the Non-Governmental Organizations and cater to the needs of the persons with disabilities. The Nodal Officer coordinated in the SVEEP measures relating to the differently-abled persons. As per the instruction of Election Commission of India, wheel chairs were arranged for use of the differently-abled persons at the Polling Station Locations. The District Differently Abled Welfare Officers were instructed to mobilize wheel chairs for providing to the differently abled electors at the polling stations on the poll day. Accordingly, they have reported that 13247 wheel chairs were mobilized from various sources. The district-wise numbers of wheel chairs procured are furnished in the **Annexure 3.5**.

3.8.2. All District Election Officers were requested to arrange for Assistants to assist the wheel chair using Differently abled Persons at the polling stations on polling day. They were taken preferably from the institutions like NSS, NCC, Red Cross etc., as per the requirement. The Assistants to the wheel chair using differently-abled persons were present at the polling station from the start of the poll till the closure of poll on the poll day (16.05.2016) for helping the wheel-chair bound persons. A remuneration of Rs.250/- was sanctioned to the Assistants.

### **3.9 Special Auxiliary Polling Stations**

In areas where differently abled voters lived in large numbers, especially in those areas where visually impaired or voters affected by leprosy lived in large numbers, for the first time ever, special polling stations were established for them.

## Chapter - IV

### ELECTION MACHINERY

The General Elections to the 15<sup>th</sup> Tamil Nadu Legislative Assembly, 2016 was conducted throughout the State in a single phase on 16.05.2016. The elections were held under the able guidance of the Election Commission of India, consisting of Dr. Nasim Zaidi, Chief Election Commissioner and Thiru A.K. Joti, and Thiru. Om Prakash Rawat, Election Commissioners.

#### I. Manpower

In Tamil Nadu, the election machinery was headed by the Chief Electoral Officer, who was assisted by one Additional Chief Electoral Officer, one Joint Chief Electoral Officer (IT), one Joint Chief Electoral Officer (SVEEP) and one Deputy Chief Electoral Officer. One Additional Chief Electoral Officer in the rank of Additional Secretary was appointed to assist the Chief Electoral Officer in the conduct of elections. Accordingly, Thiru. R. Kirlosh Kumar, I.A.S., was appointed to function under the overall control of the Chief Electoral Officer. Systematic Voters Education and Electoral Participation (SVEEP), Training was dealt by Joint Chief Electoral Officer (SVEEP) and Enforcement of Model Code of Conduct, Expenditure Monitoring and overall Conduct of Elections were dealt by Additional Chief Electoral Officer. Additional Chief Electoral Officer assisted the Chief Electoral Officer in other activities also along with Joint Chief Electoral Officer (IT), Joint Chief Electoral Officer (SVEEP) and the Deputy Chief Electoral Officer. Three additional sections were created upto 31.5.2016 in addition to seven sections already in existence (six regular sections and one created for SVEEP & Training activities).

Under Section 13AA of the Representation of the People Act, 1950, the District Collectors have been notified as District Election Officers in all the Districts except Chennai to assist the Chief Electoral Officer in the electoral administration. For Chennai district, the Commissioner, Corporation of Chennai has been notified as the District Election Officer. All District Election Officers were requested to furnish the details of changes, if any, in the lists of Returning Officers and Assistant Returning Officers of Assembly Constituencies for the General Elections to Tamil Nadu Legislative Assembly, 2016. The above proposals received from the District Election Officers were processed and the concurrence of the State Government was obtained and the same was forwarded to the Election Commission of India for approval. After approval of the Election Commission of India, the same was published in the Extra-ordinary issue of Tamil Nadu Government Gazette No.36, dated 17.02.2016. The lists of District Election Officers and Returning Officers are given in **Annexure 4.1**. The district election machinery was strengthened by providing a Personal Assistant (Elections), (a gazetted Deputy Collector level officer) to all districts.

## 2. Transfer and Disciplinary Control

In order to ensure free, fair and peaceful conduct of elections, the Election Commission, in exercise of the powers vested in it under Article 324 of the Constitution read with the proviso to Section 15(2) of the Representation of the People Act, 1951, and taking into account the provisions of Section 13CC of the Representation of the People Act, 1950 and Section 28A of the Representation of the People Act, 1951, had decided that the officers who are connected directly or indirectly with conduct of elections do not serve in their home district or at places where they have served for long. It directed that no officer connected with elections, directly or indirectly, should be allowed to continue in the present district of posting:

- i) If she / he is posted in her / his home district; or
- ii) If she / he has completed three years in that district during the last four years or would be completing 3 years on or before 31.05.2016.

Section 13CC of the Representation of the People Act, 1950 and Section 28A of the Representation of the People Act, 1951 clearly stipulate that all officers connected with preparation of electoral roll and conduct of elections are under the disciplinary control of Election Commission of India. As per the above provisions of both the Acts, all the officers, right from the Chief Secretary and the Director General of Police to the Village Administrative Officers and Police Constables are deemed to be on deputation to the Election Commission of India during the period of Conduct of Elections and accordingly, all of them are subject to control, superintendence and discipline of Election Commission of India. In confirmation of this, the Home Department also issued a Notification vide G.O. (Ms.) No.356, Home (Police-XIII) Department, dated: 18.04.2016 declaring under section 28-A of the Representation of the People Act, 1951 (Central Act XLIII of 1951), the Governor of Tamil Nadu hereby declaring all Police Officers from the level of the Director General of Police, Additional Director General of Police (Law & Order), all Additional Directors General of Police, all Inspectors General of Police, all Deputy Inspectors General of Police, all Commissioners of Police, all Superintendents of Police and all Police Officials subordinate to them and up to the level of Police Constables (including Home Guards) and any other Police Officer in the State of Tamil Nadu performing in any way the election related duties, as designated Officers for the conduct of General Elections to the Tamil Nadu Legislative Assembly to be held on the 16<sup>th</sup> May, 2016 and all the said Officers shall be deemed to be on deputation to the Election Commission for the period commencing from the date of the notification calling for the said elections and ending with the date of declaration of the results of the said elections and accordingly, the said Officers shall, during that period, be subject to the control, superintendence and discipline of the Election Commission. This was published in the Extraordinary issue of Tamil Nadu Government Gazette No.89, dated 22.04.2016.

After the notification was issued under Section 28A of the Representation of the People Act, 1951 on 22.04.2016, the Election Commission of India, in its letter dated 22.04.2016, has decided to post following officers as District Election Officers:-

The Commission has decided that Thiru. K.P. Maghendran, IPS (TN-1984) be made DGP (Elections), Tamil Nadu and entrusted with election related works involving police. The Commission has stated that Thiru. K.P. Maghendran, IPS(TN-1984), shall not report to DGP and all field Police Officers in Tamil Nadu handling any election related arrangements / work shall report only to Thiru. K.P. Maghendran in charge of Elections till the completion of election process in Tamil Nadu. The Commission has further decided to post Thiru. Karan Singha, IPS (1990) as IG(Intelligence).

### 3. Polling Personnel

The Chief Electoral Officer, District Election Officers and the Returning Officers to the Presiding Officers and Polling Officers are the polling personnel who play a vital, critical and decisive role in successful conduct of elections. The Chief Electoral Officer is over all controlling and supervisory authority and under Section 26 of the Representation of the People Act, 1951, the District Election Officer is the appointing authority for Presiding Officer and Polling Officers for the polling stations. The amended provisions of Section 159 of the Representation of the People Act, 1951 make the following authorities obligatory to make available the staff necessary for the performance of election duties:

- i) Every local authority

Normally, a polling party consists of 1 Presiding Officer and 3 Polling Officers. For the Polling Stations where the number of electors is more than 1,200, an extra polling officer is provided who shares the duty of 2<sup>nd</sup> Polling Officer. The Presiding Officer/ Polling Officer-I is from the Supervisory cadre only.

#### 4. Duties of the Polling personnel

The Presiding Officer is in charge of the polling station and plays a crucial role to ensure a fair and free poll at his polling station. Polling Officer-I is responsible for verifying the identity of the electors based on the marked copy of Photo-Electoral Roll. Polling Officer-II applies indelible ink on the left forefinger of the elector, enters Sl. No. of elector in the Register of Voters and writes down the name of the identification document like EPIC or the alternate document produced by the elector in the 4th, i.e. Remarks Column of the Register along with the Sl. No. of such document. He then obtains the signature / thumb impression of the voter before issuing the voter's slip to the elector.

Whenever the number of voters is more than 1200, there is an additional Polling Officer and the functions of PO-2 are shared between PO-2A and PO-2B as follows:

PO-2A applies indelible ink. PO-2B makes the entry in the Register of Voters-Form 17A and issues Voter's Slip.

PO-3 is in-charge of the control unit and checks on the indelible ink mark on the voter's left hand forefinger before allowing the voter to cast his / her vote.

Totally 3,24,695 polling personnel were deployed during the General Elections to Tamil Nadu Legislative Assembly, 2016. The district-wise break up is set out in **Annexure 4.2**.

#### 5. Database and randomization of polling personnel

Detailed guidelines were stipulated by the Election Commission of India for randomization of polling personnel. All District Election Officers were created a database containing the information on the polling personnel including Micro Observers covering all eligible Government employees both from the Central and State Government (including Banks) etc., in the database. The details of all the personnel who could be appointed were incorporated along with the telephone numbers including mobile numbers if any in the database by the District Election Officers.

Based on the instructions of the Election Commission of India, the randomization of database for polling personnel was done in three stages and the second and third stages of the randomization were done in the presence of the Observers. The software was developed centrally in the Chief Electoral Officer's office. The Election Commission of India had instructed that a list of 120% of the required number of polling persons should be generated (including reserve) randomly during the first randomization. The second randomization was conducted 9-12 days before the date of poll, and during the second randomization the polling personnel were allocated Assembly Constituencies and polling parties were formed. The third randomization was done on P-2 (Poll Day minus 2) and the results of the randomization were kept by the Observer. Polling parties were directed to assemble on P-1 (dispersal day) and then only the actual polling station to which they were appointed was disclosed to them.

In certain Assembly Constituencies there were no proper road access for some polling stations and the polling materials were transported on donkeys and polling personnel needed time to tread to the

polling stations. In some other Assembly Constituencies the polling stations were located in dense forests and hilly terrain and the polling materials had to be transported through mules and other means. In view of the above difficulties, the Election Commission of India was requested to permit to take up third randomization process on P-3 day instead of P-2 day for such polling stations and to grant complete exemption from the randomization process in certain polling stations, where the predominant language was a language other than Tamil. The details of such exemptions are as follows:

#### A. Proposals for taking up randomization process on P-3 day instead of P-2 day

The Election Commission of India has decided that regarding third randomization of polling personnel on P-2 day as follows:-

- i. The Randomization can be done on P-2 day in the presence of the Observer.
- ii. The result of randomization, along with appointment orders shall be printed in the presence of the Observer.
- iii. The same shall be sealed in separate covers (AC-wise, and sector-wise) with the signature of the Observer.
- iv. The sealed covers shall be sent to the ROs of the respective Assembly Constituencies.
- v. The RO shall open the covers only on the P-1 day at the dispatch center in the presence of Observer, (if the Observer is present there).

#### B. Proposals seeking exemption from randomization

Sl. No.	Name of the District	No. and Name of the AC	No. of the polling stations	Reasons for difficulty
1.	Coimbatore	124.Valparai (SC)	(65 Polling Stations) PS No.65 & 66, 158 to 220	These polling stations are located in hills and remote. The officials who are acquainted with the terrain and climatical conditions would be able to manage the situations on the day of poll. The polling personnel from the plains posted for duty at Valparai hill station on randomization will suffer in finding and reaching the polling station locations in Valparai and also suffer by climatic conditions of Valparai.
2.	Dharmapuri	58.Pennagaram	(2 polling stations)	These two polling stations are situated in steep hills which are not transport accessible. The polling materials are normally carried to polling stations through donkeys. Therefore, appointment orders have to be delivered in advance to the polling personnel pertaining to these polling stations.
3.	Namakkal	92.Rasipuram (SC)	(2 polling stations) 18 & 19	These two polling stations located in Bodhamalai hills and are not having road accessibility. The polling materials usually taken by head load and the polling personnel are reaching the polling stations only by walk.

Sl. No.	Name of the District	No. and Name of the AC	No. of the polling stations	Reasons for difficulty
4.	Erode	105. Anthiyur	(20 Polling Stations) PS No.1 to 20	The Polling stations are located in hill areas covered by thick forest. Some of the places are not easily accessible, need to trek for few kilometers. Most of the voters are Kannada speaking people. Polling personnel can understand their language and way of talking to some extent.
		107. Bhavanisagar (SC)	(89 Polling Stations) PS No.1 to 66, 137 to 159	
5.	Dindigul	131.Natham	(2 polling stations) 214 and 292	Two polling stations are situated at an elevation ranging around 1000 metres from the sea level. There is no road connectivity and accessibility to these polling stations. Polling personnel have to trek for more than 6 kms. to reach the polling stations through dense forest and hilly terrain. Similarly, polling materials have to be transported through mules and other means. Usually officials from Forest Department and those are acquainted with this area are appointed as polling personnel.
		127.Palani	(36 polling stations) PS No.204 to 210, 218, 219, 224 to 227, 251, 252, 286 to 306.  All the 107 PS situated in Kodaikanal Taluk	These polling stations are located in hill area of Kodaikanal taluk and no proper road connectivity and transport facilities. Polling personnel have to trek for a distance upto 10 km to reach the polling stations through dense forest and hilly terrain. Similarly, polling materials have to be transported through mules and other means.  All the 107 polling stations situated in Kodaikanal Taluk may be put under negative list to avoid posting of female polling personnel.
6.	The Nilgiris	108. Udthagamandalam	(12 polling stations) PS No.4, 33, 40, 55, 62, 75, 77, 216, 217, 227, 219, 220	The Polling stations are located in hill areas.
		109. Gudalur (SC)	(17 polling stations) PS No.17, 18, 37, 42 to 44, 47 to 49, 181, 182, 184, 185, 189, 199, 206, 216	The Polling stations are located in hill areas.
		110. Coonoor	(11 polling stations) PS No.1 to 3, 31, 32, 187, 191, 192, 194, 220, 222	The Polling stations are located in hill areas.

Sl. No.	Name of the District	No. and Name of the AC	No. of the polling stations	Reasons for difficulty
7.	Krishnagiri	54. Veppanahalli	(One polling station) PS No.216	Hilly area elevated around 1000 metre from mean sea level and not having structured road to 4 kms.
		56. Thalli	(31 polling stations) PS No.21, 94, 119, 148, 149, 153 to 165, 172, 184 to 190, 285, 286, 289 to 291.	Hilly area covering majorly located in forest and state border areas. Facing the problems of wildlife intervention and inaccessible from main roads. These polling stations may be exempted from the randomization process, so as to avoid appointing of female polling personnel.
8.	Theni	198. Andipatti	(12 Polling Stations) 199, 209, 210, 215, 216, 294 to 300	The Polling stations are located in hill areas.
		200. Bodinayakkanur	(10 Polling Stations) 1 to 6, 11 to 13 and 122	

## B. Proposals seeking exemption from randomization

As per the existing instructions of the Election Commission of India for the appointment of polling personnel, the staff whose native place is in the Assembly Constituency or who resides in the Assembly Constituency or who is working in the Assembly Constituency is not to be appointed for the election duty in the same Assembly Constituency.

### 6. Zonal Officers

The Zonal or Sector Officers are the constituency level field functionaries responsible for election management throughout election process right from the day of announcement of poll schedule. There were about 10 polling stations for each Zonal party in rural area and around 15 to 18 polling stations in maximum 4 locations in urban area depending upon the topography of the Assembly Constituency segment. Officers in the cadre of Tahsildars and Deputy Tahsildars were generally appointed as Zonal Officers and Assistant Zonal Officers respectively. In Chennai city, Central Government officers were also appointed as Zonal Officers/ Assistant Zonal Officers. The district wise total number of zonal officers deployed is given in **Annexure 4.3**.

They were given training specially in regard to EVM, Election Management, Poll Process, Model Code of Conduct, Election Expenditure Monitoring and other important aspects of elections, keeping in mind that they might be Master Trainers for the polling personnel. They were provided with a vehicle in advance and the materials listed below:

- (i) Training inputs being given to Presiding/Polling Officers
- (ii) Detailed map of the sector
- (iii) List of notified polling stations in his area.
- (iv) Communication Plan,
- (v) Reserve EVM(s), indelible ink, green paper seal.

The Zonal Officers were supposed to visit the polling stations and inspect the physical status of the building besides the availability of drinking water, electricity, toilet, ramp, BMF, etc. Besides, they arranged for EVM demonstration in public places for the benefit of electors. They were to visit thrice the catchment area of their respective polling stations covering habitats vulnerable for threat and intimidation to keep an eye on trouble mongers, anti-social elements etc., and report about them including the movement of unauthorized campaign vehicles, defacement of property, unauthorized campaigning, misuse of public buildings/ Government Vehicles/ Government servants and all possible violations of MCC to the RO/DEO.

On the pre-poll day, the Zonal Officers collected and handed over all the election materials intended to the polling stations to the polling parties. The Zonal Officers along with the Mobile Parties went round the polling stations assigned to them. On the day of poll, the Zonal Parties/ Mobile Parties visited each of the polling stations in their Zone to see whether the polling Officers were following all the instructions of the Commission and to clarify the doubts of Polling Officers on the electoral process.

Each Zonal Party carried sufficient reserve materials like EVMs, Batteries, few phials of indelible ink, green paper seal, etc. for distribution to the polling stations in case of necessity. The Zonal Officers and Mobile teams were also to track the conduct of mock poll at the polling stations and ascertain the mock poll status within 30 minutes and intimate to the Returning Officer about the actual conduct of mock poll. They were to make enquiry with the polling personnel and with the public as to whether everything was going on smoothly and sign in the register maintained by the Presiding Officer. They were to spread the message that peaceful voting was in progress in the area they covered so that it could act as a psychological booster. Incidents such as high/low percentage of poll in a particular polling station, turn out of women electors, adjournment of poll in any polling station, polling in sensitive areas, polling in areas predominated by weaker sections, general law and order situation in the polling area, any defect in functioning of EVM were to be reported by the Zonal Officers to the Returning Officer then and there. They were also to report the presence/ absence of polling agents in Polling Station. They gathered percentage of poll once in 2 hours and reported to the RO. Besides furnishing timely report on mock poll, poll percentage, etc. the Zonal Officers had a vital role in setting right the problems in EVMs or replacing the mal-functioning / defective EVMs in case these could not be set right by the technicians of BEL on the poll day and thereby ensuring uninterrupted polling in Tamil Nadu.

After the closure of the poll, the Zonal and Mobile Parties collected the polled materials and handed it over at the reception centre (i.e. counting centre). The Communication Plan was to help the authorities in tracking the Zonal Officers through their mobile phone. The Zonal Officers handed over separately the Presiding Officer's Diary, Visit Sheets, Form 17-A Register, 17-C Accounts of Votes Recorded, Diaries maintained by Patrolling/Sector/Zonal Magistrates, Complaints Registers of the District Control Room, etc. to a separate counter for the verification by the R.O. on the next day.

## **7. Counting Personnel**

For the counting of votes, staff in the categories of (i) Counting Supervisor, (ii) Counting Assistant, (iii) Micro Observers for counting and others were appointed. The District Election Officers were instructed to issue Photo Identity Cards for all the counting staff. All Returning Officers were instructed to make arrangements for the appointment of 9,621 counting personnels. Apart from this, there was one Central Government employee on every counting table as counting Micro Observer for counting purpose. District-wise deployment of counting personnel is given in **Annexure 4.4**.

## Chapter - V

### Electronic Voting Machines (EVMs)

Electronic Voting Machines (EVMs), manufactured in 1989-90, were used on experimental basis for the first time in 16 Assembly Constituencies in the States of Madhya Pradesh (5), Rajasthan (5) and NCT of Delhi (6) in November 1998. Starting from this modest experiment, over one million machines were used in 2004 Lok Sabha election, when the use was universalized.

#### I. Mobilisation and Logistics:

##### (a) Electronic Voting Machines (EVMs)

30,694 Nos. of Control Units and 38,433 Nos. of Ballot Units of BEL make EVMs (Post-2006) which were in good condition and free from Election Petitions were available in Tamil Nadu. An assessment of number of Electronic Voting Machines to be used in the General Elections to Legislative Assembly 2016 was made based on the number of Polling Stations proposed to be set up with 15% as reserve.

Based on the above assessment and request from the office of the Chief Electoral Officer, the Election Commission of India in the Letter No.51/8/3/2015-EMS, dated: 18.12.2015 ordered for diversion of 85,000 Ballot Units and 75,000 Control Units of Bharat Electronics Limited (BEL) Machines from the States of Bihar, Gujarat and Maharashtra respectively for use in the Assembly Constituencies in all the districts. After receipt of order for diversion of EVMs from the States of Bihar, Gujarat and Maharashtra to Tamil Nadu, all the District Election Officers (except Vellore) were requested to make necessary arrangements for the transportation of the allotted Ballot Units and Control Units. Based on the directions, 6 District Election Officers have deputed their officials to Maharashtra for transporting 11,750 Ballot Units and 13,100 Control Units from the Districts of Pune, Kolhapur and Beed.

Similarly, 7 District Election Officers were deputed the teams to Gujarat for moving of 15,000 Electronic Voting Machines from 17 Districts. As well as, 21 District Election Officers have deputed the officials to Bihar for shifting of 58,250 Nos. of Ballot Unit and 46,900 Nos. of Control Unit from 25 districts. The machines were loaded in the trucks and moved to Tamil Nadu by road transportation accompanied by officials from the concern districts of Tamil Nadu, alongwith Police armed security. In view of the large number of nominations filed for the General Elections, 30,833 Ballot Units were additionally transported from Bihar, Jharkhand, Haryana, Karnataka and BEL factory, Bangalore. The total availability of EVMs in the district after this transfer from the above States and Tamil Nadu is given in **Annexure 5.1**

### **b) Electronic Voting Machines Alkaline Batteries-**

The BEL which was requested to supply batteries for the 32 Districts for use in the BEL EVMs, supplied 90,800 batteries, of which 7,100 Batteries were earmarked for Training Purpose, 76,000 Batteries were allotted for Poll day use & Poll day reserve and the remaining numbers kept as reserve at State Level to meet any unforeseen contingencies, if any.

### **c) Hand Book on EVMs:-**

A Hand Book on 'Electronic Voting Machine' for training of Presiding Officers was printed and 80,000 copies were supplied to all District Election Officers.

### **d) Braille Signage System in EVMs**

As directed by the Election Commission of India, the Braille Signage System in the EVMs was introduced in all the 234 Assembly Constituencies for the facility of visually impaired electors. The EVMs of Post 2006 model are not required to paste stickers, since they have embedded the Sl. Nos. from 1 to 16 at the right of the blue button in Braille on the Balloting Units. However, the Sl. Nos. from 17 to 64 is to be pasted on the Balloting Units. Hence, necessary orders were placed with the M/s Devnar Foundation for the Blind, Secunderabad for supply of the following number of (self adhesive Stickers) Numeric Stickers in Braille form to the Deputy Director, Government Stationery Stores, Rajaji Salai, Chennai- I :-

a) Sl.Nos. 17 to 32	=	57,500
b) Sl.Nos. 33 to 48	=	11,500
c) Sl.Nos. 49 to 64	=	3,450
Total	=	<u>72,450</u>

In the General Elections to Tamil Nadu Legislative Assembly-2016, three Constituencies of Dr.Radhakrishnan Nagar, Perambur, Aravakurichi were more than 32 candidates in the fray, and in 91 Assembly Constituencies were more than 16 thereby necessitating for pasting the numeric stickers on the 2<sup>nd</sup> and 3<sup>rd</sup> Ballot Units of Electronic Voting Machines with the assistance of the Engineers of the manufacturer of EVMs.

### **e) Publicity through Hand Bills:**

Bit notices on Electronic Voting Machine, with captions such as 'Electronic Voting Machine – An Introduction' in Tamil and English (5,00,000 Nos.) 'Vote by Electronic Voting Machine' in Tamil and English (5,00,000 Nos.) and a pamphlet on 'How to vote in Electronic Voting Machine' in English (23,40,100) Nos. and Tamil (70,20,100 Nos.) were printed and supplied to District Election Officers for educating the voters. All works related to printing of above said notices have been entrusted to the Government Central Press, Chennai-79. Big size Posters on Electronic Voting Machine in English and Tamil containing fictitious names of candidates with symbols were printed and supplied for display

at the prominent places. A big size poster depicting the Ballot Unit of the Electronic Voting Machine was printed and supplied for display in front of each Polling Station on the Poll day for educating the electors.

**f) Forms and Covers on EVM:**

The Register of Voters, Voters Slips, Address Tags, Special Tags, various Forms and Covers required for use at the Polling Stations and for the use of Returning Officers were printed and supplied to all the District Election Officers.

**g) Deputation of Engineers by Bharat Electronics Limited:**

Bharat Electronics Limited, Bangaluru had deputed 234 Engineers/ Technicians to Tamil Nadu at the rate of 1 Engineer per One Assembly Constituency for poll preparation and providing technical assistance to the Returning Officers of 234 Assembly Constituencies on Pre-Poll day & Poll day. Out of the above, 122 Engineers/Technicians had retained for attending re-poll (if any) and counting of votes.

**2. First Level Checking (FLC) and Storage of EVMs**

As a part of preparation of EVMs for use at the polling stations, first level checking of EVMs is to be done before every elections. During the General Elections to Assembly, 2016 also the First Level Checking was done in advance in the presence of representatives of political parties.

During the last week of January 2016, based on the request from this office, Bharat Electronic Limited has deputed the Engineers to carry out First Level Checking throughout the State in a phased manner. First Level Checking commenced on 28.01.2016 and was completed on 29.03.2016. Bharat Electronic Limited Engineers test checked 1,04,428 Control Units and 1,53,918 Ballot Units. The schedule of First Level Checking was communicated to the entire National and State Level recognized Political Parties by the District Election Officers. Their representatives also attended the First Level Checking everyday. Before the First Level Checking, the hall used were fully sanitized and made free from electronic device or components of electronic devices. Adequate Police Forces were deployed and entrance door was provided with metal detectors. Screening of every individual was done before entry in to the Hall and entry was permitted only on production of Identity Cards / passes issued by the District Election Officer. Nobody was allowed to carry any electronic device inside the hall including cell phones, camera and spy pens etc., Similarly, nobody was allowed to carry anything out of the First Level Checking hall. The entire process was videographed. The total number of EVMs which underwent FLC is given in **Annexure 5.2**

During the First Level Checking the following were done:

- a) **Removal of address tags, and Ballot Papers,** Cleaning of superscriptions on Control Units & Ballot Units, Clearing of earlier poll data, Dusting of Control Unit & Ballot Unit etc. These activities were carried-out in the secured / protected place provided by the District Election Officers.
- b) **Visual Inspection of CU/BU:** Physical verification of Carrying Cases, Control Units, Ballot Units, Connecting Cable, Connectors, Latches etc. to ensure no breakages.
- c) **Full functionality checks:** Checking of all switches in Control Unit & Ballot Unit, Doors (flaps), Scaling provisions, Scratches on acrylic screen etc. Confirmation tests for efficacy of Control Unit, Ballot Unit etc.
- d) **Conduct of Mock Poll:** Casting of votes against all 16 candidate switches and observation of result & clearing of mock poll data. In 5% of EVMs at least 1000 votes were polled during the mock poll. In rest of the machines numbers of votes polled during the mock poll were subject to the satisfaction of the representatives of political parties. Representatives of political parties were allowed to do the mock poll themselves. Signatures of representatives of political parties were obtained in a register as a token of having done mock poll themselves.
- e) **Demonstration of printout of results:** A printout of the results of mock poll as well as a sequential print out of every vote polled during the mock poll were taken out for at least 5% of EVMs and shown to the representatives of political parties.
- f) **Sealing of plastic cabinet of Control Unit of EVMs with pink paper seal:**

In order to ensure that the Control Unit of the EVM has not been opened after First Level Checking of the EVMs, the Control Unit was sealed with the "Pink Paper Seal" supplied by the Nasik Security Press in the presence of the representatives of the Political Parties at the time of First Level Checking. The Pink Paper Seal was affixed on the portion between the Candidates Set Section and the Result Section of the Control Unit.

EVM storage points were featured with the following points as per the direction of the ECI:-

- i) EVMs were stored in a separate room where nothing other than EVM was kept. Warehouse was not located below Taluk level. EVM storage godown had only one entry point. All other doors or windows or ventilators in the godown were sealed using brick-masonry or concrete.
- ii). Entry of EVM storage godown had been secured by the double lock system. The keys of the same were held by two separate officers nominated by the District Election Officer, one of whom was of the rank of Sub-Divisional Magistrate.

- iii). Godown was kept in such a manner that there was no dampness, pests, rodents etc., Proper fire fighting arrangements were also provided. Godown was free from flood/water logging risk/cracks/leakage/broken window/ventilator etc.
- iv) 24 hours police guard had been posted at the godown in districts. For every godown, a separate godown in-charge had been nominated who was not below the rank of Tahsildar.

### **3. Preparation of Electronic Voting Machines**

After finalization of candidates, re-assessment of EVM requirement for each constituency was done as one ballot unit can cater up to fifteen candidates plus NOTA. Three Ballot Units had supplied to 786 polling stations where more than thirty two candidates in the fray and Two ballot Units had to be supplied to 25647 polling stations, where more than sixteen candidates contested. Totally 66,007 Control Units and 93,226 Ballot Units were supplied to the polling stations. District-wise details are given in **Annexure 5.3**.

#### **i) First Randomisation**

For the purpose of tracking various steps taken in the process of first level checking, randomization and deployment of EVM, an adhesive label (pre-printed sticker) was supplied for use. A database of the CUs and BUs verified and certified were prepared separately and kept in readiness for randomization. The data base structure contained details of CUs and BUs indicating the machine number (original number given by the manufacturer as inscribed on a metallic plate at the back side of the CU/BU as the case may be.)

Randomization had been done by the DEOs in the presence of the representatives of recognized political parties, making use of a computer software given by CEO's office, by grouping CUs/BUs to match the poll day requirement including the reserve required for each constituency. Again, the surplus CUs/BUs were also randomly grouped and distributed AC wise for the purpose of training. The R.O of the constituency had taken over the charge of the CUs/BUs randomly allotted to his constituency. The CUs/BUs meant for use at polling station were separately taken to R.O's strong room under proper escort and guarded by suitable force. The training EVMs were distributed to the relevant officers for the training purpose. The strong rooms were sealed in the presence of the representatives of political parties with their seal affixed on the lock.

#### **ii) Second Randomization**

On the day fixed for preparing the CUs/BUs for taking poll at polling stations, the preparation of CUs/BUs was done invariably in the presence of the candidate or his agent or authorized representative and in the presence of observer as per the existing instructions. After all BUs and CUs had been properly prepared, the second randomization was done using computer software provided by CEO, to allot the CUs/ BUs to specific polling stations. After it was done, the PS Number was written on the boxes to which the CU/BU had been randomly allotted in

the slot provided for it in the adhesive label. The remaining CUs/BUs were kept as 'Reserve' for use if needed.

One week before the date for the preparation of the voting machines notice in writing was given to each candidate or his election agent intimating him the place or places where the machines would be so prepared and the date and time at which such preparation would commence. Proper acknowledgement/receipt also had been obtained and kept on record. Candidate/his election agent with the number of representatives that every candidate could bring with him at the aforesaid place or places were permitted to watch the whole process of preparation of the machines in the presence of Observers and the same were videographed.

**iii) Safe preservation of prepared voting machines and supply of EVMs to polling stations**

All the voting machines which had been prepared for use at the election, including the reserve machines, were kept and preserved in safe custody in a strong room under double lock which was sealed with the seal of the Returning Officer. The candidates and their agents were also permitted to put their seals on the lock and the strong room was kept fully guarded at all times.

**4. Malfunctioning of EVMs:**

Whenever reports were received on the malfunctioning of Electronic Voting Machines, the concerned Zonal Parties replaced the defective machines promptly and the poll was conducted peacefully. Out of 66,007 polling stations conducted in poll, One Polling Station for which re-poll was ordered by the Election Commission.

Out of 234 Assembly Constituencies, 232 were taken up at 08-00 hours on 19<sup>th</sup> May, 2016 and the Returning Officers declared the results with the approval of the concerned Observers of the Election Commission of India. Remaining 2 Assembly Constituencies was taken up at 08-00 hours on 22<sup>nd</sup> November, 2016 due to rescinded by the Election Commission of India.

In general, electors in Tamil Nadu did not experience any difficulty in the usage of Electronic Voting Machines during the Elections.

## Chapter VI

### TRAINING OF ELECTION OFFICIALS

6.0.1 Human resource management in election plays a major roll in smooth and successful conduct of elections. So the Election Commission of India attaches paramount importance towards training of those involved in electoral process. As a part of poll preparedness exercise, State Level Master Trainers (SLMTs) were trained at IIIDEM, Delhi and Assembly Level Master Trainers (ALMTs) and other election personnel including District Election Officers, Returning Officers, Asst. Returning Officers, Electoral Registration Officers, Asst. Electoral Registration Officers, Police and other officers were trained at State/Zonal Headquarters by CEO, other senior officers and the IIIDEM trained SLMTs.

6.0.2 The Election Commission of India sanctioned a sum of Rs.32,00,000/- in its letter dated 19.11.2015 towards the procurement of training materials for the conduct of cascaded training/ refresher training in Tamil Nadu for the General Elections to Tamil Nadu Legislative Assembly , 2016. Based on the instructions of the ECI, series of training programs were conducted in cascade form. Area specific trainings were given in batches of a maximum of 40-50 to various categories of officers. For this, arrangement was made with Anna Institute of Management, Chennai where the master trainers were trained first in each area of training.

#### 6.1 Preparation of Training Materials and Manuals

6.1.1 Training is acquisition of knowledge and competency as a result of teaching practical skills. Training has specific goals of improving ones capacity, capability, productivity and performance. Commission had also reiterated the need to standardize the training and learning material. Accordingly detailed training materials were prepared for each set of training. These involved power point presentations, handouts, movies and live demonstrations. The training materials used are listed in **Annex 6.1**.

#### 6.2 Preparation for Training of Election Officials and Polling Parties

6.2.1 Based on the instructions of the Commission an action plan, consisting of the following three major steps, was formulated for training of election officials. The DEOs, ROs, SPs, Master Trainers, Nodal officers, Zonal officers and all the polling personnel were provided comprehensive and subject specific training.

##### a) Preparation of Training Calendar

- ◆ Identification of subjects for which training programmes were to be organized.
- ◆ Identification of Master Trainers /Resource persons two per subject from each District.
- ◆ Identification of Participants / Officers / Employees for training and their numbers.
- ◆ Preparation of schedule for training (Exact Date, Month, Time and duration) for Master trainers and at District level.

- ◆ Identification of training institutions and subject matter specialists for training master trainers.
- ◆ Preparation of materials for distribution during training.
- ◆ No. of batches of training (Each training for not more than 40 to 50 persons).

**b) Subjects identified for Training of Master Trainers/ Nodal Officers**

- ◆ EVM (Preparation /setting and trouble shooting)
- ◆ Polling Personnel and Micro Observers
- ◆ Role of Police, Law & Order and deployment of force
- ◆ IEC & Helpline, Communication Plan and Media
- ◆ MCC and Complaints
- ◆ Conduct of elections and Election Process
- ◆ Procurement and distribution of Materials
- ◆ Expenditure Monitoring and accounts
- ◆ Video trial, video viewing and shadow register
- ◆ Counting

**c) Preparation of Materials for distribution during Training**

- ◆ Subject-wise materials (like Films, Handbooks, Checklists, Leaflets, Presentations, FAQs, Instructions etc.) had been identified and prepared before commencement of Training.
- ◆ Latest instructions/guidelines of ECI/CEO office regarding the subject were provided along with Training materials.
- ◆ Subject-wise presentations for training were circulated among the participants.
- ◆ Materials were given in hard copy and in soft copy, wherever required.
- ◆ Materials were circulated in bound / ring bound form with index showing details of contents.
- ◆ The Training Materials were also put on the website on DEOs portals for easy access and reference.

## Chapter VII

### MODEL CODE OF CONDUCT

The Model Code of Conduct of elections has become an essential and vital tool for the conduct of free and fair elections. The objective of Model Code of Conduct (MCC) formulated by the Election Commission of India is to ensure a level playing field for all the participants so that a healthy atmosphere is created during the election campaign. It is intended to provide a level playing field for all political parties, keep the campaign fair and healthy, avoid clashes and conflicts between parties and ensure peace and order. One of the main aims of MCC is to ensure that the ruling party either at the Center or in the States does not misuse its official position to gain an unfair advantage in an election. Most of the provisions of the Code are based on voluntary acceptance of the principles by political parties and are not based on legal or statutory backing for implementation.

#### **7.1 Enforcement of Model Code of Conduct**

7.1.1. Generally, the Model Code of Conduct came into force immediately after the announcement of the Elections. The Election Commission of India was announced the General Elections to Tamil Nadu Legislative Assembly on 04.03.2016. Before announcement of the General Elections to Tamil Nadu Legislative Assembly 2016, the Chief Electoral Officer has issued instructions to Secretaries to Government of all the Departments / HODs of Government / Police Officers / District Election Officers, etc. to download the copy of the Model Code of Conduct instructions of the Election Commission of India from the website i.e. [www.elections.tn.gov.in](http://www.elections.tn.gov.in). C.E.O has requested to implement the Model Code of Conduct strictly when the Election Commission of India announced the General Elections to Tamil Nadu Legislative Assembly, 2016 without any deviation. He has also requested to draw a line after the last entry of the G.O. Register, take a photo-copy of the page where such a line has been drawn and attest the same before sending it to CEO's office for record within two hours of announcement.

7.1.2. Tamil version of the consolidated instructions/ guidelines on the Model Code of Conduct 2015 were prepared and communicated to all the Political Parties. The same has been uploaded in the election website for the use of all political parties, candidates. General public meetings were also conducted by the Chief Electoral Officer with recognized National and State political parties and explain the implementation of the Model Code of Conduct and Expenditure Monitoring in respect of Assembly Elections.

7.1.3. Since there was a very strict adherence to the code, there was lot of references from Secretaries/ HODs/ District Election Officers, Central Government Department / Boards seeking advice/ clarifications with reference to the Model Code of Conduct. The requests seeking exemption from Model Code in respect of important issues made by the departments were referred to the Election Commission of India for its instructions. Based on ECI's clearance, or otherwise, further action was taken on such issues.

7.1.4. Prevention of defacement of property occupies an important place in effective implementation of Model Code of Conduct. Tamil Nadu Open Places (Prevention of Disfigurement) Act, 1959 and Motor Vehicles Act & Rules, 1989 are the State enactment, the provisions of which were enforced strictly. Under this law advertisements/ posters/ hoardings were prevented both in private and public buildings in urban areas. Since this law does not cover the rural areas, the instructions of Election Commission were followed, whereby there was total ban on posters/ hoardings on public property, while on private property obtaining prior permission of the owners was made compulsory.

## **7.2 Action against violations**

The District Election Officers and COPs/SPs were made personally responsible for failure to enforce the Model Code of Conduct and for not taking action on their erring subordinates. At Taluk level, the Tahsildar/ Inspector of Police were fixed with the above responsibility. The action taken report (ATR) on violations of Model Code of Conduct along with Press Clippings was sent to the Election Commission of India in respect of important cases. Due to the strict enforcement of MCC, more than 3 lakh cases of MCC violations were identified under defacement viz., Wall writing, Posters, Banners etc., and actions were initiated. **Annex 7.1** gives the district wise details.

## **7.3. Cases registered**

7.3.1 While many of the MCC violations are not offences under law, some of the violations are also offences under various laws in force such as Indian Penal Code, Representation of People Act, 1951, etc. Such MCC violations were booked under the various provisions of law. Totally 6,612 such cases were registered for violation of Model Code of Conduct, distribution of money / material, criminal intimidation / violence, Misuse of Vehicle (Beacon, light, Flag), Violation of Loudspeakers Act, Illegal meeting / speech, Inducement / gratification to Elections / Cash, kind distribution, etc. District wise details are set out in **Annex 7.2**. Special effort was taken to bring these cases to completion before the election process was completed, because of which only 3857 cases remained under investigation at the end of polling process. The district-wise break up is indicated in **Annex 7.2**

## **7.4 Daily Report on Model Code of Conduct**

7.4.1 As per the direction of the ECI, Daily Report on Model Code of Conduct was compiled based on the reports obtained from the District Election Officers and sent to the Commission from the date of announcement of General Elections to Tamil Nadu Legislative Assembly 2016 till the withdrawn of MCC restrictions after declaration of results. In the first time, Daily report on Model Code of Conduct was received from all the District Election Officers through online as new initiative mechanism.

## **7.5 Easing of the restrictions of the Model Code of Conduct**

7.5.1. The poll for the General Elections to Tamil Nadu Legislative Assembly except two Assembly Constituencies i.e. 134. Aravakurichi & 174. Thanjavur was held on 16.05.2016 and the counting of votes was done on 19.05.2016.

## **7.6 Revoking and Withdrawal of Model Code of Conduct**

7.6.1 The Election Commission of India vide its letter No.437/6/INST/2016-CCS, dated: 21.05.2016, directed that the operation of the Model Code of Conduct has come to an end with immediate effect in Tamil Nadu except two Assembly Constituencies i.e.134. Aravakurichi (Karur District) & 174. Thanjavur (Thanjavur District).

Then, as per the Election Commission of India's proceedings, dated 28.05.2016, the Election Commission of India after holding of Elections from 134.Aravakuichi and 174.Thanjavur Assembly Constituencies and also informed that the operation of Model Code of Conduct has come to an end with immediate effect in Tamil Nadu.

## **CHAPTER - IX**

### **Systematic Voters' Education & Electoral Participation (SVEEP) and implementation through Social Media.**

The Election Commission of India had tried all possible measures through the Systematic Voters' Education and Electoral Participation (SVEEP) initiative to ensure that all eligible voters exercise their electoral rights during the General Elections to Tamil Nadu Legislative Assembly, 2016. During this election, in Tamil Nadu we were able to achieve a voter turnout of 74.84% though there were natural hindrances of heavy rain and continuous holidays.

In Tamil Nadu, the Systematic Voters' Education and Electoral Participation (SVEEP) action plan had been designed in such a way that, focusing on different components with a range of activities concentrating on the existing gaps identified, in the broad areas of :-

- (i) Initiatives and work chart which would facilitate all eligible persons to get enrolled themselves.
- (ii) Motivating the registered voters to cast their valuable vote during elections and
- (iii) To get sensitized on voting as per their conscience without getting affected by fear or inducement (Ethical voting).

#### **Activities at the state level:**

##### **National Voters' Day**

The Election Commission of India celebrates 25<sup>th</sup> January, its foundation day, as National Voters' Day (NVD) every year commencing from 25<sup>th</sup> January, 2011. The theme of the National Voters' Day, 2016 was Ethical Voting for the General Elections to Tamil Nadu Legislative Assembly held during May 2016 and to maximize the enrolment of youth and other weaker sections, etc., and to increase the enrolment of voters and educating the voters on the importance of voting.

NVD was celebrated at State level, District level and in every Polling Station Location in the State. The State level function was held in Raj Bhavan, with His Excellency the Governor of Tamil Nadu as the Chief Guest for the function. He administered the National Voters' Day Pledge and gave away Electors Photo Identify Cards (EPICs) to 25 newly registered voters. On this occasion, school children and youth staged cultural programmes highlighting the importance of greater participation for stronger democracy. A tableau of this Department also took part this year in the Republic Day Parade with the theme of 'Inclusive and Qualitative Electoral Participation'.

At the District level function, the District Collectors administered the National Voters' Day Pledge and distributed Electors Photo Identity Cards (EPICs) to the newly registered voters. Similarly, in every polling station location, pledge was administered and EPICs were distributed to new voters.

The above exercise helped to inculcate new voters a commitment to democratic electoral process, leading to stronger democracy. Civil Society Organizations, NGOs, Media, Women and Youth Organizations extended their full support to the NVD celebrations.

This year National Voters' Day witnessed 29,291 functions held throughout the State, in which 6,14,892 newly enrolled voters participated and received their EPICs. Those who could not collect their EPICs in these functions were given their cards at their door steps through the Booth Level Officers.

### **Partnership with State Government Departments:**

In carrying out the SVEEP activities, working with partnership department plays an important role of the strategy, since the cooperation of other departments of the State Government essential is for the realization of the SVEEP campaign. In this regard all the District collectors and officers at Additional Secretary/Principal Secretary/Secretary level were roped in, based on the appeal by the CEO.

The following departments have had played active role during elections:

- ★ Revenue Department
- ★ Directorate of School education
- ★ Department of youth welfare
- ★ NCC
- ★ Directorate of Information & Public relation
- ★ Co-operative department
- ★ Directorate of collegiate education
- ★ Motor Vehicle Department

### **District Level Core Committee**

In addition to the appointment of one Nodal Officer in each district to look after the SVEEP activities, it was desired to have an institutional structure to ensure coordinated activities being taken up at the field level in a comprehensive manner to translate the objectives of the SVEEP at the field level. For this purpose, a District level Core Committee for SVEEP with District Collector as Chairman and SVEEP Nodal Officer as Member Secretary and other stake holding departments and interested persons as members, have been formed in all districts. Monthly meetings were conducted periodically in all the 32 districts.

## Awareness campaign through State level Icons

To spread the Electoral participatory awareness messages among the public, as done in the previous years, we have obtained the messages of State level icons and the messages of all these icons were displayed in theatres through the Department of Information and Public Relations, in addition to the publicity done by the District Collectors through cable media and Cinema theaters. Appeal messages at frequent intervals were made through all TV channels and FM channels by pressuring them that these messages are part of their corporate social responsibility as CSR activity.

These appeal messages reached a wider section of people, as it was telecast in some private channels during prime hours and was telecast continuously in TN Arasu cable TV. These programmes were telecasted in Doordharshan, AIR, FM channels like Radio Mirchi, Hello FM and Big FM during the prime slot hours and the awareness messages were displayed at important railway stations through Armour TV.

The list of star icons who supported the SVEEP campaign with their messages are;

Sl. No	Name of the Icons	Gender	Field Icons belongs to (Sportsperson / Artist / Films etc)
1.	Thiru Ashwin	Male	Cricketer
2.	Thiru Dinesh Karthick	Male	Cricketer
3.	Tmt Dipika Pallikal	Female	Squash player
4.	Thiru Surya	Male	Actor
5.	Thiru Nasser	Male	Actor
6.	Thiru Siddarth	Male	Actor
7.	Thiru Prabhu Deva	Male	Actor

## Use of Separate Channel for Election Department and Short films

In addition to these, seven short films have been produced by this department during General Elections :-

1. Thavaraama Vaakkalinga
2. Ungal Peyar Ulladha
3. Vaakkai Vittu Kodukkadheenga
4. Nooru Sadhaveedham Ottu
5. Ottu Podu
6. Vaakai Vikkadheenga
7. Votta Vikkadha Pinnala Vaadi Nikkadha

Arrangements were made to screen these short films in all cinema theatres, cable television channels and at all public places using video vans by the District Collectors. One prime hand of the State-owned undertaking, Arasu Cable TV Corporation Limited was taken up for SVEEP activity and was utilized to the maximum to telecast the awareness messages, election music songs and the above seven short films. The above were telecast at frequent intervals in the prime channel of Arasu Cable TV in order to create awareness among the people, as an invitation to the electors to vote without fail and to stress the importance of ethical voting concept.

### **Voter Awareness Songs**

Two songs on casting vote in elections without getting note and not indulge in bribes were produced by this department and those have also been uploaded in TN CEO's website for all other stake holders, to have access to and use it in their awareness campaign measures. A peppy hip-hop song sung by Blaaze 'Vote Podu', aimed at encouraging young voters to exercise their franchise without fail launched by Thiru Rajesh Lakhoni I.A.S, Chief Electoral Officer, Tamil Nadu, had hit the right chords on social media. Even before a formal launch, the peppy single had begun attracting attention in social media and mobile messaging platforms. The music composer Paul Jacob has composed the music for the song which was rendered by Blaaze. The lively song begins with the lyrics "Suthanthira dagam, vakkalikkum neram, vottu podu, vottu podu, vottu pottu, Tamil Nattukku 100% aakividu. (thirst for freedom, time to vote, cast your vote and make Tamil Nadu's polling percentage 100%)". It appeals to the youth though it covers other segments of voters. The song calls out to professionals like doctors, engineers and specifies people in terms of relations like Amma, (Mother), Anna (Brother) and others and appeals to them to vote, targeting the youth and the four minute song was a "blend of thappattam, reggae and hip-hop", he said. The lyrics were written by Paul Jacob and Blaaze.

### **The Campus ambassadors**

The Electoral data previous to the General Elections to Tamil Nadu Legislative Assembly, 2016 had indicated low registration / enrollment of eligible young voters of the age group 18-19 yrs and 20-24 yrs. Focusing on this issue of enrollment of all the eligible young voters, a system of election roll officials visiting all colleges was adopted to collect enrollment forms directly from the eligible young voters to facilitate them to get enrolled. The concept of student ambassador – a representative among the student itself who is willing to act as a facilitating person between the students and the roll officials had been identified and they were trained about the procedures involved in electoral registration. The campus ambassadors had been instructed to enroll themselves first and then their class mates & college mates. This year as many as 1835 Campus ambassadors in 1026 institutions were identified, trained and utilized. As a special initiative measure, "A Hand book on Election related information for the use of Campus Ambassadors had been prepared, published and distributed to all Campus Ambassadors & Nodal officers through the District Election officers office from Chief Electoral Officers office, which was found very useful by all the students, to understand the basic Electoral procedures and administrative machinery.

### **SVEEP Awareness Materials:**

The awareness informative posters relating to registration of electors, ethical voting, exercise of democratic right etc was designed by this office and disseminated to all the Districts. They in turn made posters, pamphlets and displayed them at all prominent locations including the Public Distribution shops, bus stand, market areas, bus stops, railway stations, big malls and offices of Electricity Board. The District SVEEP Nodal officers with the support of the Campus Ambassadors and the College Nodal Officers had displayed banners and posters at prominent locations near all the educational institutions and in the notice board of the College Institutions to spread awareness. CSO partners too downloaded the posters and awareness materials from Chief Electoral Officer's website and utilised them during their awareness campaign.

### **Partnership with Government departments:**

The Government departments like Revenue, Rural Development, Municipality, Mahalir thittam, Pudhu Vaazhvu Thittam, Police, Education dept, Labour welfare, NMP & ICDS, DSWO, Co-operative, Health, Collegiate Education, School Education, Neru Yuva Kendra, NSS, NCC, Sports development departments were also roped in the electoral process along with elections department to coordinate the SVEEP activities at different level to ensure active participation of people in General Elections to Tamil Nadu Legislative Assembly, 2016.

### **Partnership with CSOs and NGOs:**

Apart from the above departments, some of the CSOs like VOC port Trust, Sterlite, All India Chamber of Commerce, India Chamber of Commerce, Match Factories, Textile Association and NGOs like Lions club & Rotary club actively participated in the election process at district level along with the coordination of the election officials for the effective implementation of SVEEP activities.

### **Display of awareness message in theatres during each show.**

Repeated telecast of awareness messages by the star icons were shown in all the theatres. As theatres had the obligation to telecast Government programmes, electoral awareness short films were also screened in the theatres throughout the State. This method of awareness reached more number of electorates to make them realize the importance of their democratic duty and importance of ethical voting.

### **Ethical Voting - No Note for Vote campaign**

In Tamilnadu due to the continuous efforts of intensive Systematic Voters Education and Electoral Participation (SVEEP) activities the voter turnout is comparatively good during the past elections. But, however from 2011 onwards, the problem of misuse of money for electoral gains has surfaced. So to address this issue, the focus on Ethical Voting campaign was started and when the dates of election came closer, the intensity of general campaign on registration, voting had been transformed and focused on Propagating Ethical Voting practice. During the last phase of the SVEEP campaign, closer to the date of poll, full fledged mass movement on promoting Ethical voting was carried out.

Electors were sensitized about the value of their vote and were encouraged to make this election a clean and fair one by not accepting cash for votes. In addition to the placement of enforcement machinery like deployment of many number of Flying squads and surveillance teams ,a series of activities, like information through posters and videos were made under the tagline 'No note for Vote'.

## **Base line survey on Knowledge, Attitude, Behavior, Belief and Practices of Electors**

Despite sincere efforts made and steps taken under the SVEEP campaign, gaps are noticed in registration and electoral awareness level of the electors. These gaps were bridged with adopting effective methods of awareness campaigns. To adopt effective awareness campaign method to get feedback from the public about the electoral process a sample survey was done. This survey assessed the Knowledge, Attitude, Behavior, Belief and Practices of Electors in Tamil Nadu on Electoral process. A survey of the responses of 1209 respondents from 120 polling booths, 24 Assembly Constituencies from 6 districts were carried out during the month of March 2016. ### **Implementation of SVEEP activities through Social Media**

Tamil Nadu has the second highest internet penetration in India with 30.36 million internet subscribers as of 2016. With the Social Media revolution taking the internet by storm, it is no wonder that the current set of first time internet users subscribe primarily to access social media. The rise in smart phones and mobile internet growth has only accelerated the trend. A study on social media users in Tamil Nadu points that as of January 2016, there are over 11 million users on Face book and 8.7 lakh users on Twitter from Tamil Nadu. Over 75 percent of this population belongs to the age group of 13-29. Hence, Social Media is a significant channel to connect with them quickly, constantly and effectively.

### **The #TNI00 percent Approach**

It was clear that the audience for the social media campaign would majorly comprise of the youth. They were also the target audience for the initial phase of electoral registration and hence it was crucial to understand what catches their attention online portals. The #TNI00% social media plan required studying the online presence of millennial voters pertaining to Tamil Nadu based on which the objectives of the social media campaign were accordingly outlined. Communication was then devised in keeping up with the campaign objectives.

### **The #100Percent Framework**

The outline of the campaign focuses on the AIDA model-creating awareness towards the elections, creating interest around the idea of voting and then desire to be a part of the movement and finally persuading action. The social media campaign too follows the SVEEP structure. It comprises of four phase. The first phase of the campaign encourages electoral registration. The second phase promotes electoral readiness by addressing queries and attending to complaints, the third phase promotes ethical voting and initiatives towards clean and fair elections before finally reminding people to vote on the day of elections.

## **Roping in Youth Icons**

Popular movie and sport celebrities such as Kamal, Surya, Nazer, Prabudeva, Siddardh, Ashwin, Dipika Pallikal, Dinesh Karthik, etc. from Tamil Nadu endorsing electoral participation through interesting narratives helped to create interest and desire around the elections. Users who tweeted with the hashtag # VotedTN and # வாக்களித்தீடுதல் after casting their votes were sent twitter E cards autographed by celebrities who were part of the campaign.

## **Live Twitter Chat**

The Chief Electoral Officer of Tamil Nadu had participated in a live twitter chat on March 2016 and responded to tweets real time. The chat had an overwhelming participation and helped to address a wide range of queries.

## **Election Quiz**

To increase voter awareness through participation, an election quiz was conducted on Twitter and Face book. Election trivia questions were posted on the Twitter and Face book handles everyday and three lucky winners were awarded with TN100 percent branded goodies.

## **Promoting SVEEP's Awareness Activities**

The awareness activities for electoral readiness were also shared to the public through online portals. Apart from engaging the audience, sharing these updated also encouraged citizen participation to promote the elections.

## **Citizen Initiatives**

Once the social media posts and videos gained traction, citizen videos and initiatives started pouring in which in turn instilled confidence and generated interest among other eligible voters. It was during Phase 2, that the Face book handles recorded the highest reach of 756,085 and the Twitter handles recorded an impression of 4.1 million.

## **Face book Live**

The TN Elections-Face book press conference was telecasted live through the Face book Live feature. Face book users were able to stream the conference live as they announced initiatives for the TN100 percent campaign.

## **Key Partnerships: Twitter & Face book**

To give a fillip to the digital campaign, the EC partnered with Face book and Twitter, thereby making the most out of social media. Similar to the joint press conference with Ankhi Das, Director of Public Policy (India, South and Central Asia), Face book, the Tamil Nadu Chief Electoral Officer (CEO) Thiru Rajesh Lakhoni, I.A.S also held discussions with Thiru Raheel Khursheed, Head News,

Politics and Government at Twitter India in Chennai. As part of the initiative, new tools were developed by Twitter, including allowing uploading election-related videos of large size. Persons tweeting with hashtag #TNI00% were sent reminders to cast their votes on the polling day. The tie-ups paved way for various benefits in both the platforms. The Details of Social media accounts specified in **Annexure 9.1**

## Summary

The Social Media Campaign for TN Elections 2016 SVEEP was a key strategy to increase elector engagement and follower base organically. The communication in social media was kept simple and relatable to people's day to day affairs to ensure higher relevance and engagement. Most of the posts increased virality of the campaign. Strategically the Face book page and Twitter handle are named Tamil Nadu Elections CEO to gain trust of the people. Moreover almost every comment, post and tweet was either under the direct purview or posted directly by the TN Chief Electoral Officer which ensured authenticity of the campaign. We have recorded 119,020 followers in Face book from a miniscule 2272 followers in Jan'2016. Similarly Twitter figures soared from 1432 followers in Jan 2016 to 15137 as of May 2016. The campaign had an active engagement with an average total reach of 97662 and the highest reach being 756085 during March. During the TN elections 2016 SVEEP campaign the @TNElectionsCEO twitter handle was one of the highest engagement and trending handle of the region, with 5.2 million impressions. 'Listen and respond' strategy was adopted in social media. As part of the strategy, most complaints, compliments and queries were resolved and responded in twitter. This helped confidence on Election Commission of India and perceive as an accessible and transparent body. Since videos were shared highly, the campaign had a consistent video communication that yielded higher engagement. The Face book page had a total of 19,72,696 video views. Videos featuring celebrities on an average crossed a reach of 300,000 and 70,000 post engagement. Official and Face book page of the CEO (@tnElectionsCEO) and Face book pages of the District Election Officers were used to converse in the language of the youth, using content that struck chord with them. Humour laced intelligent messaging, which was either prodding, benign or cheeky and references to popular culture were recurring themes in all content targeting the urban youth. Celebrities were used in click bait videos ("Dhoni or Virat, Ashwin answers") and through usage of intelligent content, the campaign generated positive publicity all around. The official Facebook page and Twitter accounts became a transparent two way communication media to inspire citizens to participate and create content, showcase the efforts taken by the election machinery for enabling 100 percent registration and polling, share SVEEP activities being conducted across the State and address electoral grievances. While the first part of the campaign focused on voter enrolment and verification, there was a shift to the voter turnout and then on to informed and ethical voting practices after the deadline for enrolment. In addition to these, there were 2 videos featuring Kollywoods' leading actor Surya which had more than 2.1 million and 1 million reach respectively. The Dinesh Karthik-Deepika Pallikal video has about 1.4 million reach. Ashwin's click

bait video performed the most with 242899 impressions and 28,348 engagements. The Face book live stream had over 23,000 reach,2000 views and around 1500 interactions. This gave the SVEEP campaign a larger than life imagery and catalyzed interest and desires across all sections of the society about the 2016 elections. More than passive reactions, the TN Elections 2016 campaign in social media has earned active participation. Common people were directly involved in action which converted the campaign into a movement in a short span. On the day of elections, the hashtag #voted TN had a reach of 130000 and 162641 timeline deliveries and # வாக்களித்தேன் had a reach of 49,623 and 49,429 timeline. The recorded social media engagement figures evidently portrays the success of the campaign.

## Chapter XI

### POSTAL BALLOT PAPERS

11.1 Normally voters are expected to vote in person at the polling station. However, the Election Law permits certain categories of electors to vote, instead, by post. Section 20 of Representation of People Act, 1950, Section 60 of Representation of People Act, 1951 and Rule 17, 18(a) &(c), 20-21, 27B of Conduct of Election Rules, 1961 entitle the following classes of electors to exercise their franchise through postal ballot:

- a) Service voters, other than those who opt for proxy voting (SVs);
- b) Special Voters;
- c) The wives of persons referred to in classes (a) and (b) above;
- d) Electors subject to preventive detention;
- e) Voters on election duty; and
- f) Notified voters

11.2. Election Commission has issued instructions from time to time for each category of postal voters so as to ensure that all such voters are able to exercise their franchise without any scope for any grievance. The updated and improved instructions were issued as comprehensive Guidelines in its Lr. No.52/2014-SDR dated 7<sup>th</sup> March 2014, based on which instructions were issued to all the District Election Officers and the Returning Officers in CEO's Letter No.1310/Elections-IV/ 2016-1, dated 08.02.2016.

11.3. Based on the Election Commission of India's guidelines, the Returning Officers had been instructed to ensure that the Postal Ballot papers for the service voters were printed locally under fool proof security under the strict and vigilant supervision of a responsible officer, preferably an Assistant Returning Officer. The Deputy Director, Government Stationery Stores, Rajaji Salai, Chennai – 600 001 supplied required number of foolscap folio sheets of white wove paper (8½"X13½") for printing of Postal Ballot papers for all the Assembly segments of each Legislative Assembly Constituency. The Director General of Police / Superintendents of Police was requested to provide adequate security at the Printing Presses where the Postal Ballot Papers had been printed by the Returning Officers concerned. The Returning Officers completed the printing of the postal ballots within 48 hours in the case of Service Voters and within 72 hours in the case of Special Voters and electors under Preventive Detention from the last hour fixed for the withdrawal of Candidature. Dispatch of Postal Ballot papers was also done immediately without any loss of time. Total number of service voters to whom the Postal Ballot dispatched was 57,900. In addition, 111 voters who were under preventive detention were also issued postal ballot papers. **Annex 11.1** brings out constituency-wise details of service voters and preventive detainees to whom postal ballots were dispatched.

## **Dispatch of Postal Ballots to Service Voters**

11.4 All efforts were taken, based on the previous experience gained during the General Elections to the Lok Sabha, 2014, well in advance to send Postal Ballot papers, meant for the Service Voters serving in the Army, Navy, Air Force and other Para-Military Forces, to their respective Offices / Record Offices. For this complete and correct information such as Service Number (IC Number), rank and name of each officer concerned were collected meticulously in time. Through this, in no case the Postal Ballots meant to be sent to Record Offices were wrongly sent to Army Head Quarters, New Delhi during General Elections to Tamil Nadu Legislative Assembly 2016. The outer envelope (Form 13C) for postal ballots to service voters, as per Commission's guidelines, was in Yellow color to distinguish it from that for the employees on poll duty. The covers containing the postal ballot papers meant for members of Armed Forces invariably carried on the electors rank, regimental number etc to avoid the difficulty likely to be faced by the record office to send the cover to the elector concerned. The hour and date fixed for commencement of counting of postal ballots were also indicated under clause (6) of instructions for guidance of electors of Form 13(D) before the dispatch of postal ballot papers to the service voters.

## **Supply of Postal Ballots to Polling Personnel, etc**

11.5 The Returning Officer of each Legislative Assembly Constituency took earnest efforts to explain to the Polling Personnel their right to vote by post and issued Form 12 to all eligible voters. The ROs ensured during first training class that the polling personnel were educated for filling Form 12 to apply for Postal Ballot paper. Separate time was allotted in the training for explaining the procedure of marking and depositing of postal ballot papers. Time was also given during the training for the personnel to fill up the Declaration in Form 13A, Verification by the Gazetted Officer, marking of postal ballot and depositing the same in the postal ballot box. The Assistant ROs were available at the training centers with copies of Electoral Rolls to enable the polling personnel to verify their names. Both Form-12 and Form 12A, printed back to back, were issued to polling personnel along with the appointment orders. They were asked to fill both and bring the same when they come for the 1st training. Based on the allotment of their Assembly segments, after the second randomization, the personnel who required postal ballots were given postal ballots. Each Returning Officer made arrangement in all training locations (otherwise called Facilitation Centers for the purpose of casting postal votes) in the District to receive the postal ballots at the time of second training itself by placing postal ballot boxes as per the guidelines prescribed by ECI. The Commission directed to provide the Facilitation Centre facility at the time of third training class also. The entire process of postal balloting at each facilitation center was ordered to be video-graphed. Even otherwise drop-boxes were kept in the office of the ROs also, where people could drop their postal ballots till the morning of counting on 19/5/2016.

11.6. Out of 3,24,695 polling personnel and 92,991 police personnel drafted for polling duty only 3,95,677 were applied for the postal ballot of which 3,75,554 were given. Not everyone could be given postal ballots because some had to be rejected due to reasons of wrongly filled up Form-12, names not there in rolls, part number wrongly filled up, unsigned application, etc.

### **Receipt of Postal Ballots by Post**

11.7 The Commission in its Letter. No.52/2014-SDR dated 07.03.2014 specified the following guidelines for receipt of postal ballots:

i) The Chief Electoral Officer will make arrangement with the Postal Department asking it to nominate one post office for each Legislative Assembly Constituency to deliver postal ballots every day, to the respective RO's office, at 3.00 pm every day and at 8.00 am or such other time on the day of counting at the Counting Centre.

ii) All recognized political parties and contesting candidates must be intimated in writing informing them to be present at the time of delivery of postal ballots by the post office concerned.

iii) The postal ballots delivered by the post office would be counted in the presence of the representatives of the political parties and the candidates. The number of postal ballots received will be entered in the daily return in Format-3 by the RO. The entire process was to be video-graphed.

iv) The RO will keep all postal ballots received every day in a separate envelop for that day and write on the envelope, the date, and the words – "Postal Ballots received by Post". He/ She would keep this envelop also in the strong room for postal ballots.

v) The RO will prepare a return of the postal ballots received from the Facilitation Centers in Statement -3 every day till he stops receiving postal ballots from facilitation centers. She/he will also enter the number of postal ballots received by post in the return on Statement -3 till the day of counting.

11.8. The General Elections to Tamil Nadu Legislative Assembly, 2016 was over on 16.05.2016, while counting was scheduled on 19.05.2016. Postal ballots were accepted in the interim period scrupulously following the directions of the ECI. Of the total 4,33,565 postal ballots issued, only 3,31,830 were received back, which were duly counted on the counting day.

## Chapter XII

### Election Materials

Procurement and supply of material in addition to EVMs are important aspects in conduct of Legislative Assembly Elections. Both Statutory and Non Statutory forms and covers are inclusive in the inventory.

The procurement and supply exercise began with the assessment of availability of the election materials with the District Election Officers. After taking stock of the materials available in the districts and the office of the Chief Electoral Officer, orders were placed with the appropriate authorities for supply of required items of election materials for use in the General Elections to Tamil Nadu Legislative Assembly-2016. Brass Metal Seals, Arrow Cross Marker, Rubber Stamps, Voting Compartments, Pink Paper Seals, Green Paper Seals, Outer Paper Strip Seals, Indelible Ink, Polythene Sheets and Statutory/Non Statutory Forms & Covers were the important polling materials other than EVMs.

Having successfully undergone the judicial scrutiny and established the voter's satisfaction, EVM is being used for conduct of both Parliament as well as Assembly elections, since 2004 in Tamil Nadu. So, Election Commission of India, as a measure of maintaining the elector's confidence in EVMs credence had introduced 'the randomization protocol' for the deployment of them in the polling stations. After randomization for greater transparency, the Electronic Voting Machines and other election materials are sent to polling stations during General Elections to Tamil Nadu Legislative Assembly-2016 through Zonal Parties in a vehicle. Totally, 65,486 Control Units and 92,215 Ballot Units were deployed in 65,486 polling stations. After the close of poll, Electronic Voting Machines and election materials were taken back by Zonal Parties to the reception centers before being stored in the Strong rooms.

**Brass Metal Seals-** An assessment was made about the availability of Brass Metal Seals in the Districts. Since 33,084 Nos. of seals were in stock in all 32 districts the Public Works Department Workshop and Stores were requested to supply 50,000 of Brass Metal Seals to the District Election Officers for use in the General Elections to Tamil Nadu Legislative Assembly -2016.

**Arrow Cross Mark Rubber Stamps-** Since Electronic Voting Machines have taken over the place of Ballot Boxes and Ballot Papers the requirement of Arrow Cross Mark Rubber Stamps has come down to a very minimal level. After taking into account the availability of Arrow Cross Mark Rubber Stamps with the District Election Officers, orders were placed with the Ideal Cottage Industries, Jaipur for supply of 48,000 Arrow Cross Mark Rubber Stamps to the District Election Officers for use in the General Elections to Tamil Nadu Legislative Assembly -2016.

**Voting Compartments-** As per the instruction of the Election Commission of India, the following numbers of Voting Compartments were procured by the Director of Stationery & Printing and supplied to all District Election Officers-

- a) Size 24"x24"x24" (Single Ballot Units) = 78,775 Nos.
- b) Size 36"x28"x24" (Two Ballot Units) = 57,500 Nos.
- c) Size 48"x28"x24" (Three Ballot Units) = 17,800 Nos.
- d) Size 60"x 30"x24" (Four Ballot Units) = 8,600 Nos.

**Pink Paper Seals-** As per instructions of the Election Commission of India, Pink Paper Seals are to be fixed in Control Units after First Level Checking and the Ballot Units to be fixed at the time of Candidate setting. For which 1,34,000 Pink Paper Seals (for Control Units) and 1,53,000 Pink Paper Seals (for Ballot Units) were procured from the India Security Press, Nasik and distributed to all District Election Officers.

**Green Paper Seals-** During the General Elections to Tamil Nadu Legislative Assembly-2016, 5,10,000 numbers of Green Paper Seals were purchased from the India Security Press, Nasik and distributed to all District Election Officers. Accordingly, for each Polling Station 6 seals were distributed.

**Outer Paper Strip Seals-** As in the case of Green Paper Seals for each EVM (Control Unit) one Outer Paper Strip Seal is required. So 52,52,000 Nos. of Outer Paper Strip Seals with Serial numbers for Poll day use in EVMs and 84,000 Outer Paper Strip Seals without serial numbers for training of Polling Officers were procured from M/s India Security Press, Nasik and supplied to all District Election Officers. 4 Seals were given to each Polling Station of which 3 were to be kept as reserve.

**Indelible Ink-** As per instruction of Election Commission of India, one phial for Polling Stations having 700 Voters and two phials for Polling Stations having more than 700 Voters are to be supplied. On this basis it was assessed to procure 1,34,000 numbers of 10 ML bottles of indelible ink from M/s Mysore Paints & Varnish Limited, Mysore for distribution to all District Election Officers. Before making use of the Indelible Ink supplied by the above manufacturer a sample was sent to National Laboratory, New Delhi and King Institute, Guindy, Chennai for certification conforming its quality.

**Symbol Booklets/Posters-** There were 6 National Parties, 3 State Parties for which the Symbols are reserved. In addition to them there were 107 free symbols allotted to unregistered political party candidates and independent candidates at the time of General Elections to Tamil Nadu Legislative Assembly-2016. Government Central Press, Chennai-79 was printed the Symbols Booklets and Symbol Posters. According to the specification prescribed by the Election Commission of India, i.e., 9 cms x 6 cms, pictures of symbols, were printed and supplied to the polling stations along with posters.

**Polythene Sheets-** Already there were stocks of 39,596 Nos. of Polythene sheets in almost all the districts. So the balance requirement of 1,33,000 numbers of first quality L.D.P.E. Polythene Sheets of the size 6' x 6' with 100 Micron thickness were procured by the Director of Stationery & Printing and supplied to the District Election Officers to protect the Electronic Voting Machines from moisture and any possible rain on the poll day.

**Stationery Items-** Stationery items like Pins, White Twine(10 Mtr each),) Brown Sheets for packing etc., were locally purchased by the Director of Stationery & Printing, Chennai – 2 and supplied to all the District Election Officers for use during the elections and to the District Election Officers, the Returning Officers and the Assistant Returning Officers, for their office use. Details are given in the **Annexure 12.1.**

**Rubber Stamps Bearing ‘Rejected Votes’-**1,170 numbers of Rubber Stamps bearing ‘Rejected Votes’ were manufactured and supplied by the Works Manager, Government Central Press, to the District Election Officers.

**Statutory/Non Statutory Forms & Covers etc:-**

Following 28 items of Statutory forms both in English and Tamil were printed and supplied by the Government Central Press. In addition to this, 15 items of Non Statutory Forms and 15 items of Statutory covers, 10 items of Non Statutory covers were printed and supplied to all the District Election Officers for use in the EVMs. The forms and covers were colour coded to ensure that the Presiding Officers could easily match the form with the cover, reducing the chances of errors. The colour coding details are given in **Annexure 12.2.**

## **Chapter - XIII**

### **EXPENDITURE MONITORING AND ACCOUNTS**

Section 77(1) of Representation of the People Act, 1951 makes it mandatory for every candidate to the Lok Sabha or Legislative Assembly to keep a separate and correct account of all expenditure incurred or authorized by him or by his election agent, between the date on which he has been nominated and the date of declaration of the result, both dates inclusive. The Election Commission of India had fixed Rs.28.00 lakhs, as maximum ceiling in the case of candidates contesting for Legislative Assembly in Tamil Nadu. Under Section 77(2), the account shall contain such particulars as may be prescribed. Failure to maintain the account, as per Election Commission of India instructions, is an electoral offence under Section 171-I of the Indian Penal Code.

The above limitation on expenditure is only for legitimate expenditure (such as transport, banners, stage, advertisements, etc). In addition, there are many avenues of incurring illegal expenditure (for example, cash bribes, liquor, food to voters etc), which are banned. Since there was a general apprehension amongst various stakeholders that there might be extensive attempts towards illegal expenditure, the Election Commission came up with a new Expenditure Guidelines with the objective of preventing the same, and to capture the total extent of legitimate expenditure correctly. These include formation of various surveillance & accounting teams, putting in place expenditure registers which candidates are expected to maintain daily, monitoring of potential paid news items, restricting cash transactions, involvement of Income Tax and State Excise Departments, etc.

#### **A. Structure and Functions of Expenditure Control Machinery**

Various Teams and Committees under the new guidelines viz. (i) Flying Squads (ii) Static Surveillance Teams (iii) Video Surveillance Teams (iv) Video Viewing Teams (v) Accounting Teams (vi) Media Certification and Monitoring Committees (vii) Call Centre and Control Room etc., had been constituted at District and State Level.

##### **i. Flying Squads**

The District Election Officers constituted flying squads, with at least one squad for each Assembly Constituency with officers of proven integrity. The composition of the officials in each squad was one Police Officer in charge of the Police Station, one Senior Executive Magistrate as the Head of the Team, one Videographer and 3 to 4 armed police personnel. This team started functioning from the date of announcement of election till the completion of poll. For sensitive constituencies there were more than one such teams. The names and mobile numbers of the officers and Magistrate as head of the team were provided to the Complaint Centre and also published through local media.

Whenever a complaint regarding distribution of cash or liquor or any other item was received, the flying squads were rushed to the spot immediately, gathered necessary evidence, seized the items of bribe and recorded statement of the witnesses and persons. In case a flying squad was busy elsewhere, additional teams from the local police stations were sent.

## **ii. Static Surveillance Teams:**

For watching large quantities of cash, illegal liquor, any suspicious items or arms being carried inside the constituency limits, surveillance teams, with at least one team for each police station, were formed. They were put in the form of mobile check posts on major roads/arterial roads right from the date of notification. Unexplained cash found without proper documents and carried by any person was suspected as meant for bribing the voters and on that account seized and actions were initiated under the relevant provisions of law. The whole event of checking and seizure was video-graphed and the team would submit a copy of the video CD to the Assistant Expenditure Observer. In consultation with the Assistant Expenditure Observer, the placement of these teams was worked out and a number of such teams were decided based on the requirement and Expenditure Observer's assessment.

First Information Report was lodged immediately against the persons from whom any seizure was made. The cash seized, if linked to potential bribing, was deposited in the State Treasury within 24 hours. Otherwise, cash was handed over to the Income Tax Department for further action.

All the District Election Officers published an appeal to the public/political parties through media about the formation and functioning of the Surveillance Teams requesting people not to carry huge cash during elections. In case of necessity for carrying cash one was to carry proper documents also to explain the source and end use.

The cases filed were monitored closely, and attempts were made to ensure that maximum number of cases was brought for trial even before the date of counting. The Nodal Officer at Police Head Quarters followed up the cases and sent reports to the Commission with a copy to the Chief Electoral Officer on the status of the cases in the Court.

## **iii. Video Surveillance Teams:**

Properly trained and oriented video surveillance teams, one for every Assembly Constituency, were formed to capture all expenditure related events and evidences. In the beginning, the team would record in voice mode, the title and the type of event, date, place and name of the party and candidate organizing the event. The team captured the whole event in such a way that the evidences of each vehicle, its make and registration number, furniture, rostrum, banners, cut-outs, etc can be clearly seen and expenses thereon would be estimated. At times, statements of drivers and passengers were also recorded to prove that the vehicle was used for election purpose. The videographer also recorded his voice while shooting regarding the number, type of vehicles, chairs, etc. used in the event for enabling the video team, another expenditure monitoring agency, to cross check with reference to the visuals and estimate the expenditure of the event. They also recorded the speeches of speakers and other events to monitor whether any Model Code of Conduct violation took place. This team prepared cue-sheet at the time of recording and gave the same to the video viewing team along with the recorded CD. The cue-sheet enabled locating evidence available in the CD at a glance.

**iv. Video Viewing Team:**

This team viewed the video CDs prepared by the surveillance teams on daily basis for identifying expenditure and Model Code of Conduct related issues. On the same day, this team would submit its report related to expenditure to the Accounting Team/Assistant Expenditure Observer. In expenditure related reports, the registration number of all the vehicles and its make, size of the dias, the number of chairs, size of text, size and number of cut-outs and all other items of expenditure captured in the video reports/observations relating to Model Code of Conduct were submitted by this team to the General Observer/Returning Officer.

**i. Accounting teams:**

These teams were formed to work under the guidance of the Assistant Expenditure Observer in maintaining Shadow Observation Register/Folder of Evidence for each candidate of the assembly segment. The team would enter the items of expenditure reported, put the notified rates against each item and calculate the total expenditure on the item of each candidate.

The Accounting Team and the Assistant Expenditure Observer based on the rates of expenditure calculated total expenditure based on the video evidences given by the Viewing Teams and made entries into Shadow Observation Register for the candidates concerned. This was compared with the candidates register produced before the Expenditure Observer for verification. Any suppression/omission was pointed out to the candidates concerned in writing by the Returning Officer within 24 hours for corrective measures.

The Returning Officer was to ensure that all expenditure of the election campaign materials used after filing of nomination was also included in the Shadow Observation Register, though the payment for it might have been made before filing of nomination. Similarly the expenditure on rally or procession taken in connection with filing of nomination was also shown as part of the Election Expenditure.

**ii. Observers:**

For close supervision and co-ordinations of the above teams/committees following officials were put in place as per the guidelines of Election Commission of India.

**(a) Expenditure Observers:**

Senior Officials of Indian Revenue Service/Indian Customs and Central Excise services were appointed by the Commission for specified constituencies to observe the election expenses by the candidate. There was at least one Expenditure Observer for each district, with each observer ordinarily not having more than five Assembly constituencies under his observation. They monitored the entire expenditure control machinery in constituencies under their control. Their job got over only 30 days after the declaration of result, the last date for the candidates for filing expenditure statements.

### **(b) Assistant Expenditure Observers:**

Assistant Expenditure Observers in the rank of Income Tax Officer/Grade-B Officers equivalent in other Central Government Services were appointed by the Expenditure Observer from a list of Central Government employees provided by the District Election Officers. Preference was given to employees of Income Tax, Central Exercise, Audit and Accounts Department. It was ensured that no Assistant Expenditure Observer was appointed in an Assembly Constituency wherein either his work place or native is located.

Details of various teams constituted made are furnished in **Annexure 13.2**. The total seizures made during the entire election period are given in **Annexure 13.3**.

### **B. Tracking of candidates' election expenditure:**

Various steps taken to regulate expenditure were as follows:

#### **(i) Maintenance of Shadow Observation Register and Folder of Evidence:**

**Shadow Observation Register** for each candidate was maintained by the accounting team on the basis of the observation of expenditure as captured by various teams/reports of expenditure monitoring cell. This register was helpful to cross check the items of major expenses incurred by the candidate. An Assistant Expenditure Observer daily inspected the Shadow Observation Register for each candidate for ensuring that all expenditure reported by different teams of expenditure monitoring was entered in the register. In the case of any discrepancy it was immediately reported to the Expenditure Observer.

The **Folder of Evidence** was maintained by the accounting team along with each Shadow Observation Register. The accounting teams got information on daily basis from the video surveillance teams, video viewing teams, media certification and monitoring teams, surveillance teams and flying squads. All the evidences collected against any expenditure entered in the Shadow Observation Register was kept in this folder and cross referenced with it. This folder included video/audio CDs, copies of posters, pamphlets, etc., newspaper advertisements and paid news cuttings, copies of bills and vouchers, copies of reports made by the various officers regarding expenditure, copies of documents submitted by the candidate, copies of complaints relating to expenditure and enquiry reports on these complaints, the notice issued to two categories by the Returning Officer relating to expenditure tracking and the replies received, first information report filed relating to expenditure of the candidate etc. In case of any expenditure found incurred by the candidate on prohibited items, action was taken against the candidates under relevant provision of law.

The Shadow Observation Register was shown to the candidates or his representatives or any Member of the public. If the expenditure reported by the candidate was found less than the amount mentioned in the Shadow Observation Register it was brought to the notice of the candidate or his

representative at the time of inspection in writing in the register itself under the signature of Expenditure Observer. Copies of the notices and replies received from the candidate or his election agent were kept in the Shadow Observation Register. Replies received if any, were marked to Expenditure Observer and the District Election Officer for forming opinion about the truthfulness of the account of expenditure submitted by the candidates after the declaration of results.

**(ii) Monitoring of Public Meeting, Rallies, etc.:**

A candidate or his representative would apply for permission for a public meeting or a rally along with expenditure plan. The accounting team would calculate separately the expenditure in each of such public meetings or rallies on the basis of notified rates and evidences which were collected by way of photographs, video recording and statements.

**(iii) Expenditure on travel expenses of Star campaigners:**

As per section 77 of the R.P. Act 1951, the expenditure incurred by the leaders of a political party on account of travel by air or by any other means would not be deemed to be expenditure in connection with the expenditure incurred or authorized by a candidate. In the event of public rally or meeting by the Star campaigner if the candidate or his election agent shared the dais with the star campaigner, or if the Star Campaigner campaigned in favour of the Candidate by name, then the entire expenditure on that rally than the travel expenses of the star campaigner was added to the candidate's expenses. When there were more than one candidates sharing the dais or displaying banners/posters with their names in rally/meeting then the expenses on such rally /meeting was equally divided among all candidates. The list of parties who availed the facility of star campaigners are given in **Annexure 13.4**.

**(iv) Monitoring of use of vehicles during electioneering:**

The Returning Officer issued permits to the vehicles and the details were given to the accounting teams for inclusion in the Shadow Observation Register. If any vehicle was found used for campaigning without written permission of the Returning Officer then it was considered as unauthorized campaigning for the candidates and it attracted penal provision of Section 171H of the Indian Penal code. The expenditure on this vehicle was added in the Shadow Observation Register.

**(v) Monitoring of expenses on construction of barricades and rostrums etc.**

If expenses on construction of barricades/rostrums etc. were made by the Government agencies on account of security considerations, the expenditure was booked in the name of the candidates in whose constituency the meeting took place. Wherever the group of candidates were present on the dais with the leaders of all political parties addressed such a meeting, the expenditure was apportioned equally among them. The District Election Officers obtained the details of expenditure from the concerned Government agencies and intimated to the candidates about their respective share and marked a copy to the accounting team for entering in the Shadow Observation Register.

Wherever any private agency was engaged in construction/ rostrum etc., the Returning Officer called for information of expenditure from such agency. If any travel agency was engaged to provide transport facility, the RO called for the expenses details from such agencies.

**(vi) Monitoring of accounts of Self Help Groups, Non-Government Organizations, etc.**

Since the revolving fund/economic assistance is channelised through the DRDA, it was possible to monitor the Self Help Groups closely to ensure that they were not utilized for distribution of money/materials which is corrupt practice and an election offence. DEOs called for daily report of SHGs and NGOs activities in their district.

**(vii) Monitoring of cash withdrawal from banks:**

The District Election Officer asked all the banks to submit daily report on suspicious withdrawal of cash in a day exceeding Rs.1.00 lakhs from the bank account of any individual person during election process. In case any suspicious nature of withdrawal of large amount was noticed suitable action was taken and the information was passed on to the Assistant Expenditure Observer / Deputy Director of IT concerned for necessary action under IT laws.

**C. Submission of election accounts**

As per Section 78 of the R.P. Act, 1951 every candidate has to lodge a true account of his election expenses maintained u/s.77 of the R.P. Act, 1951 with the District Election Officer within 30 days from the date of declaration of results of election. To ensure that the accounts are maintained in a true and fair manner, following steps were prescribed by the Election Commission of India:

**(i) Separate bank account by each candidate for election expenditure:** In order to facilitate monitoring of election expenditure, each candidate was required to open a separate bank account exclusively for the purpose of election expenditure. All money to be spent on electioneering had to be deposited in this bank account irrespective of its funding from any source including candidate's own fund. A certified copy of the account statement of those bank account was to be given by the candidate to the District Election Officer along with statement of account of expenditure at the time of filing of the abstract statement after declaration of results. The bank account was opened either in the name of the candidate or in the joint name with his election agent. The bank account was not opened in the joint name with any family members of the candidate if he/she was not election agent of the candidate. The existing bank account of the candidate was not used for this purpose.

**(ii) Register of election expenditure:**

Each candidate was required to maintain day to day account of his election expenditure in the register prescribed. The candidates submitted this register for inspection by the Expenditure Observer at least three times during the campaign period. The candidate was to give acknowledgement for having received the registers.

**(iii) Register of day to day accounts:**

This register meant for entire election expenditure was required to be filled up by the candidate/ his election agent date-wise on day to day basis. The value of goods is services in kind received from any sources and used for electioneering of a candidate are also to be mentioned.

This register contained entire election expenditure incurred by the candidate/ the party / any other persons. Regarding source of such expenses, any amount incurred / authorized by the candidates from his own fund was mentioned in the relevant column. The amount received from the political party or incurred or authorized by the political party either in cash or in kind was mentioned in the column meant for the purpose. Source of any amount either received in cash or in kind from any person or entity other than political party was mentioned in the separate column meant for this purpose.

**(iv) Cash Register:**

All the amounts received in cash from any source including withdrawal from any bank account of the candidates were entered date-wise in cash register from the date of nomination till date of declaration of results. Date-wise cash balance was required to be drawn. Efforts had to be made to avoid as far as possible carrying huge amount of cash in the constituency during election campaign.

**(v) Bank Register:**

The candidate deposited the entire amount meant for election expenses received from any source including his own fund in the bank account opened for the purpose of election. All the election expenses were incurred by issuing cheques from this bank account only. In case of minor expenses and so the amount could not be withdrawn in cash, payments were made with proper vouchers. Details of deposits, withdrawal and daily balance were entered in respective columns of the bank register.

**(vi) Inspection of election expenditure Register:**

The candidates were required to produce election expenditure register either in person or through his election agent or any other person duly authorized by him before the Expenditure Observer/ designated officer for inspection three times during the campaign period. On the dates fixed for inspection of register of a candidate, the Assistant Expenditure Observer concerned was present along with the Shadow Observation Register and Folder of Evidence. In case of failure for production of Expenditure Register for inspection by the candidate on the day fixed for the purpose, notice was given by the RO informing that if the candidate fails again to produce the register for inspection it would be presumed that the candidate failed to maintain day to day account of his election expenditure as required under section 77 of R.P. Act 1951. In case of failure of the candidate to produce the register of election expenditure for inspection, a complaint u/s. 171-I of the Indian Penal Code was to be filed in the competent court. Besides this permission given to the candidates for the use of vehicle during election were to be withdrawn, if the candidate did not produce the register after 3 days of service of the notice. The withdrawal of permission for use of vehicle was to be intimated to all the surveillance teams and flying squads and displayed in the notice board.

**(vii) Meeting of the District Election Officer with political parties and meeting of the RO with the candidates:**

The District Election Officer conducted meeting of all recognized national and state level political parties within 3 days of announcement of elections and explained the legal provisions and instructions of the commission relating to the election expenditure and its monitoring and consequences of failure to comply with them. The ROs held meeting of all the contested candidates and explained of the legal provisions and instructions of the commission relating to election expenditure and its monitoring and consequence of failure to comply with them.

One day facilitation training programme was also organized by each RO and Assistant Expenditure Observer for training of all election agents in order to explain the modified procedure of maintaining the registers of various expenses and dates of expenses.

**(viii) Submission of the Final Accounts before District Election Officer**

All candidates were expected to submit their accounts to the District Election Officer within 30 days of announcement of election results. Details of the submission of Election expenditure by contested candidates are given in **Annexure 13.5**.

**(ix) Scrutiny of Statement of accounts and DEOs report to the Commission**

Scrutiny of accounts was done by the District Election Officer to determine whether the account submitted by the candidate was true account of his election expenditure or whether the candidate had hidden or under valued some part of his election expenditure. The Expenditure Observer, the Assistant Expenditure Observer and the Nodal Officer of the expenditure monitoring cell helped the DEOs in the examination of accounts and preparation of their reports to the commission in the modified form. The **Shadow Observation Register** and the **Folder of Evidence** were taken into account while examining the accounts and forwarding the DEOs reports to the Commission. The account of expenditure submitted by the candidates was compared with the Shadow Observation Register. All notices issued earlier to the candidates or his election agent and replies received were considered as evidence during scrutiny of accounts by the District Election Officer. All the remarks made by the Observer or other officer in the Shadow Observation Register or any other authorized document were taken into consideration while scrutinizing the correctness of the accounts of election. During scrutiny, if District Election Officer found that the expenditure in respect of any item is higher than the figure reported by the candidates as per the Shadow Observation Register, notices were issued to such candidate mentioning such discrepancy and evidences gathered during the election period. Complaints with respect to election expenditure and reports of enquiry on these complaints were also considered during the scrutiny. The Expenditure Observer during his second visit scrutinized the accounts along with the report of the DEO.

## Chapter - XIV

### LAW AND ORDER AND BANDOBUST PLAN

1. Maintenance of Law and Order is one of the most important functions performed by any Government. In Indian context, it is the States which, under the Constitution, are responsible for the maintenance of public order. Law and Order (L&O) maintenance is a pre-requisite for peaceful, free and fair Elections. Therefore, the Election Commission of India has been taking various extra measures all these years to ensure successful conduct of peaceful poll through maintenance of L&O situation during General Elections/Bye-Elections. At the time of elections, maintenance of law and order for ensuring peaceful, free and fair poll also includes provision of due protection and security to the election officers, polling personnel and polling materials as well as to the candidates, leaders of political parties and other important functionaries in each constituency.

2. The Election Commission of India, being deeply aware of increasing role of criminality and muscle power during elections, has been taking a number of initiatives over and above normal L&O arrangement taken for ensuring free and fair elections. Deployment of Central Armed Police Forces during the process of elections to assist the State L&O machinery in prevention of Pre-Poll, Poll and Post-Poll violence and inspiring confidence in the impartiality of election machinery among the common electorate, regulation of vehicular traffic, regulation and ban on the sale of liquor in close proximity with the dates of poll and counting, seizure of illicit arms, etc. are some of the strategies of ECI. These extra measures being taken by the Commission are implemented through the normal L&O machinery of the State, which enables creation of a conducive atmosphere both during the run up to the polls and actual polls.

3. Based on the general guidelines of ECI, the State L&O and Bandobust Plan for the conduct of the General Elections to Tamil Nadu Legislative Assembly, 2016 was drafted with a bottoms-up approach. While broad parameters of deployment were given by CEO's office in consultation with the DGP, detailed plans were prepared by the DEOs in coordination with the police authorities in the district (Commissioners of Police/ Superintendents of Police). The Law & Order machinery deployed during the elections involved State Regular Police, State Armed Reserves, Tamil Nadu Special Police, Central Armed Police Forces (CAPF) and Non-Police Personnel such as Home Guards, Fire man, Forest Guards, NSS, Ex-servicemen and Retired Police Personnel.

#### **4. Personnel :-**

##### **i) State Police Personnel:**

The primary responsibility for maintaining law and order and creation of conducive atmosphere for conduct of election, lies with the police officers and police personnel at Constituency, District and State level. Hence, all police officers and police personnel starting with the Director General of Police down to Inspectors, Sub-Inspectors, Assistant Sub-Inspectors, Head Constables and Constables

(including home guards, ex-servicemen etc.) became, by law, officers of the Commission being on deputation to it and being subject to its control, superintendence and discipline and were answerable to the Commission during the General Elections to Tamil Nadu Legislative Assembly, 2016. Necessary notification for the same was issued by the Home Department of Government of Tamil Nadu under section 28A of the Representation of People Act, 1951.

The Director General of Police had reported that total strength of police personnel available in the State as **84,976** consisting of regular police, **8,000** Numbers of Tamil Nadu Special Police (TSP) and **15** Numbers of special Police Battalions for General Elections to Tamil Nadu Legislative Assembly, 2016 as follows :

Sl. No.	Rank	No.of strength	No.of TSP	No.of battalions
1.	Inspector of Police & above	2519	-	-
2.	Sub-Inspectors/ Spl. Sub-Inspectors	18241	-	-
3.	Training SI Cadets	1034	-	-
4.	Head Constables & below	54768	-	-
5.	Recruit Police Constables	8414	-	-
6.	-	-	8000	-
7.	-	-	-	15
	<b>Total</b>	<b>84,976</b>	<b>8000</b>	<b>15</b>

ii) **Central Armed Police Force (CAPF) Personnel:**

Deployment of Central Armed Police Forces is on the basis of total availability of central forces in the country, ECI assessment of the ground realities in each State and comparative need in one State vis-à-vis other States. Totally 300 companies have been allotted by the Commission to the State of Tamil Nadu during General Elections to Tamil Nadu Legislative Assembly, 2016. These forces were utilized in Flying Squads/ Static Surveillance Squads/ Expenditure Monitoring. These Companies came a few days before the date of poll and traditionally used for area domination and poll day duty. The District wise/Force-wise distribution of these companies in all 32 districts was as follows:

Sl.No.	District	No. of Assembly Segments Constituencies	No. of CAPF Companies Deployed.
1	THIRUVALLUR	10	7
2	CHENNAI	16	18
3	KANCHEEPURAM	11	9
4	VELLORE	13	16
5	KRISHNAGIRI	6	7

31	TIRUNELVELI	10	15
32	KANNIYAKUMARI	6	7
	<b>Total</b>	<b>234</b>	<b>300</b>

After poll, 79 companies were retained for guarding of strong rooms located at 68 Counting Centres where polled EVMs were kept.

### iii) **Non Police Personnel**

The Election Commission of India permitted, in view of non availability of sufficient police personnel, deployment of non police personnel viz. Home Guards, Fire man, Forest Guards, NSS, Ex-servicemen and Retired Police Personnel with the following conditions:

- a. They shall be declared as Special Police Officers (SPOs) by the District Collectors/ Commissioners of Police under section 17 of the Police Act, 1861 and Madras City Police Act, 1988.
- b. Able bodied Personnel upto the age of 65 years only may be appointed as SPOs for aforesaid purpose.
- c. They should not have been compulsorily retired from the service and should not have any pending court cases against them.
- d. They should not be posted in the polling station in which they are registered as a voter.

The Commission also insisted that the SPOs can regulate the crowd and the queue outside the polling stations only, and that too without carrying any arms. They could be in uniform but cannot support any medals, insignia, etc. None of them should have any political affiliations and that they should be impartial.

Based on the above permission and direction of the ECI, the Director General of Police, Chennai mobilized Ex-servicemen, Retired Police Personnel and Retired Personnel of other Uniformed Services such as Fire man, Forest Personnel for deployment for a period of 4 days from 14.05.2016 to 17.05.2016 as follows:

<b>Category</b>	<b>No. Deployed</b>
Ex-servicemen	10241
Home guard	14148
NSS	14103
Forest Guards	181
Fire man	691
Retired Police men	1067
<b>Total</b>	<b>40,431</b>

The Directorate of Ex-Servicemen's Welfare, Chennai-3 made necessary arrangements for the mobilization of Ex-Servicemen and the Additional Director General of Police (Elections) for the mobilization of Retired Police Personnel and Retired Personnel of other Uniformed Services. Police department ensured that each such officer was designated as "Special Police Officer" and identity cards were also issued to them.

## 5. Deployment Plan:-

Based on various directions of the Election Commission of India and after obtaining Commission's permission for certain special dispensations for Tamil Nadu, following guidelines were framed at the time of joint meeting held by the Chief Electoral Officer with the ADGP (Elections) for finalizing Deployment Plan at Assembly Constituency level:

### i) Police Deployment

Following parameters were laid down for deployment of police forces in the State :

- a. Each polling station location will have at-least one Police personnel (Local or AR or Special Units). Where any location has additional polling stations, one Police personnel or non-police personnel will be deployed at the rate of one per polling station.
- b. All Critical / Vulnerable polling stations will have one half section of CAPF with strength of 1 + 3 Police Constables.
- c. All Zonal parties will have one TSP Police personnel. one Sub-Inspector of Police or Special Sub-Inspector of Police shall be in-charge of Zonal parties.
- d. Even upto the night before the date of the poll, there should be three Flying Squads (one per shift) per Assembly Segment in operation. Each Flying Squad should have one SI + 3 PCs. Similarly upto morning of the Poll Day there should be three Static Surveillance Squads per Assembly Segment in operation.
- e. To guard the EVM strong rooms, on day of poll before the arrival of EVMs, 1 Sub-Inspector of Police + 1 Police Constable can be earmarked. For guarding polled EVMs, from the evening of the poll day till the counting, one half section of CAPF should be provided.
- f. Pickets as per requirements can be placed in sensitive areas. On the day of poll, Flying Squads and Static Surveillance Teams can be converted into pickets.
- g. Striking Force as per following norms :

<b>Striking Force led by</b>	<b>Strength</b>
Chennai COP	2 SIs + 20 PCs
SPs/ other COPs	1 SIs + 10 PCs
IGs / DIGs	1 SIs + 10 PCs
ADSPs / DSPs	2 Training SIs + 2 Recruit PCs
Inspectors	3 Recruit PCs

### **i) Non-Police Personnel Deployment**

The deployment of non-police personnel was based on the following parameters:

- a) Non-Police Personnel should be deployed only in Polling Stations.
- b) They should be deployed in all the Polling Stations which are not covered by Police personnel.

### **ii) CAPF Deployment**

In contrast to other states where CAPF is used more on static duty at polling stations, in Tamil Nadu the forces were deployed with zonal parties so as to maximize the number of polling stations which they could cover.

While the forces were allocated to the districts as per the norms, the deployment of forces in different Assembly Segments of each Assembly Constituency and at various polling stations was decided locally based on above the parameters and local conditions. Some of the important parameters which affected force deployment are number of polling Stations, the existence of vulnerable habitats, the availability of State Police Force including Non-Police Personnel, deployment of Central Armed Police Force, etc. In the entire State, out of 29551 polling station locations 6,649 were identified as critical polling station (including vulnerable polling stations).

District-wise Force Deployment Plan for election duty (including that of Central Armed Police Force, State Police and all other type of Uniformed Forces) was prepared by the DEOs and the SPs concerned. In connection with vulnerability mapping, Superintendent of Police gave their suggestions/ observations on the basis of the inputs available with them. Deployment plan finalized on the above lines was not unilaterally altered or modified without consultation of Observers. While reiterating that all the instructions of the Commission with regard to deployment of CAPF and denomination of forces should be strictly followed at every stage, it was made clear by the Commission that this exercise would in no way dilute the responsibility of the District Administration in ensuring proper law and order and security during the entire process of General Elections to Tamil Nadu Legislative Assembly, 2016.

## **6. Important Initiatives:-**

As in the case of previous elections a number of steps were taken to ensure that the poll was free, fair and peaceful. Some of them are:

### **i) Persons with History of Electoral and Criminal Offences under Close Watch**

Persons who have criminal antecedents and who have been know in past to have indulged in electoral offences come under special watch during elections. Some of the steps taken are:

- i) Compilation of list of persons, in respect of each Assembly Constituency, reported to have indulged in electoral offences like intimidation, impersonation, etc., during the past at least two elections.
- ii) Updating the list of history sheeters, declared absconders, fugitive criminals falling in every Assembly Constituency.
- iii) Execution of all pending warrants and challans in respect of each and every Police Station of all Assembly Constituencies.
- iv) Investigation and prosecution of all Electoral Offences registered during previous Elections in each Police Station.

### **ii) Scanning of Liquor Sales**

Total ban on illicit liquor was enforced and close monitoring of legal liquor business was done. Daily reporting on production, wholesale stock and retail sales were monitored. Any abnormal sales or stocks were followed up with enquiry. Bulk sales of liquor or sale without cash memo from shops were stopped. Further, 48 hours before close of polls was declared as dry day, till the midnight on the day of poll. Similarly dry day declaration was made on counting day also.

### **iii) Regulation of Arms**

Following regulations were put in place regarding monitoring of arms :

- i) Ban under section 144 of Cr.PC on carrying of licensed arms immediately after the announcement of General Elections to Tamil Nadu Legislative Assembly, 2016.
- ii) 100 % scrutiny of licences of arms and ammunition shops to ensure that the records of their stocks are kept up-to-date and close super checking of their antecedents, recent involvement in irregularities, if any, and political leanings, if any, in addition to monitoring of their business during the days of active electioneering.
- iii) Ban on issue of licence for arms during the period commencing with the date of announcement till the completion of the Elections.

- iv) Unearthing of unlicensed arms and places of indigenous manufacture of arms and ammunitions and checking of inter-State and intra-State movements of trucks and commercial vehicles to prevent smuggling of arms and ammunition and anti-social elements.
- v) Detailed and individual review of all licences, immediately after the announcement of elections, with a focus on following category of people:
  - (a) Arms licences of persons released on bail
  - (b) Arms licences of persons having a history of criminal offences, and
  - (c) Arms licences of persons previously involved in rioting, particularly during the Election period.

Based on the review, the Committee formed for the review, also ordered deposit of licensed arms in specific cases where it was felt that the persons need not carry arms for during the election period.

- vi) Thorough checking of lorries, light vehicles and all other vehicles from 3 days before the date of poll, to ensure that no undesirable elements or arms and ammunition were transported into the constituency.

#### **iv) Confidence – Building Measures**

Following confidence building measures were undertaken to ensure that people have the confidence that they would be able to vote in a free and fair manner:

- i) Vulnerable habitats were put under close watch of the zonal officers who kept tab on the persons from whom threat perceptions were high. The CAPF forces were also attached to the zonal parties who too took rounds of all the vulnerable areas.
- ii) Police pickets were established wherever necessary to ensure free access to all voters to cast their votes without fear.
- iii) Even on the poll day, zonal officers kept a tab on the polling percentage from the vulnerable habitats, and if any abnormal pattern was witnessed, they followed up with a visit to such locations to find out reasons for low polling and restore normalcy, if any untoward reason was witnessed.

#### **v) Zonal (Sector) Officers and Preparation of Zonal (Sector) Maps**

The Zonal (Sector) Officers were responsible for preparing election plan for the zones under their charge. The Zonal Officers did a physical check, at the time of first visit to their respective zones, of the Zonal (route) Maps and the Polling Stations falling under them and got the maps prepared for taking polls. Alternate routes to particular Polling Stations were also identified for any emergency

or contingency, for example, a sudden damage in the connecting bridge en-route. During their second visit the Zonal (Sector) Officers covered the hinterland of their Polling Stations, contacted the voters and did their vulnerability mapping and identified helpful as well as anti-social elements, Polling Station wise and hamlet wise. Later when the Central Police Force arrived, the Zonal Officer accompanied (third visit) the Police Mobile Force for their area familiarization and area domination in an organized manner.

#### **vi) Forty Eight hours before the close of poll**

While the public campaigning came to close forty-eight hours before close of poll, but door to door campaigning was permitted in the poll even till the day of elections. Often political parties used this opportunity to go from house to house and some cases used this visits to distribute bribes. Further, skirmishes were often there between political parties in the run upto elections.

#### **vii) Poll Day**

On the poll day, CAPF were assigned patrolling duty in the allotted zones for guarding of polling stations falling within the zones. CAPF in this connection were provided with zonal route maps (sketch) of each zone/route which was under their charge, indicating vulnerable locations, their sensitivity gradation, the Zonal(Sector) Officers name and contact numbers, the RO's and Observer's names and contact numbers, etc. The static police duty had come to the polling stations one day earlier and stayed till polled EVMs were collected. Striking Forces were available with officers from Inspector onwards for taking immediate action on receipt of news of any untoward incident.

#### **viii) Post Poll**

After the poll was over, the polled EVMs were escorted by CAPF contingents to the designated reception centres. The CAPF were also assigned the duty of guarding the strong rooms, where the polled EVMs were stored. During counting a three layer security was given to the counting halls, with the CAPF guarding the inner perimeter, the TSP/AR the middle perimeter and the local police the outer perimeter.

### **7. Daily Report on Law & Order Situation:-**

Election Commission of India mandated during the General Elections to Tamil Nadu Legislative Assembly, 2016 that Law and Order Report for each district in LOR – Form I and a consolidated report for the entire State in LOR – Form II had to be submitted by the Chief Electoral Officer daily to the Commission. The DGP sent the Law and Order reports daily for the period from 04.03.2016 to 19.05.2016 and the same was reviewed and sent to the Election Commission of India every day. Following are the details regarding seizure of weapons, explosives etc., during the period in which Model Code of Conduct was in force:

<b>Striking Force led by</b>	<b>Strength</b>
SBML	- 6
Revolver	- 1
9mm Pistol	- 1
Cartridges (9mm Rounds)	- 2
Country Made Bombs	- 3
Crackers	- 85 Nos
Gun powder	- 290 Grams
Slurry (Gelatin stick)	- 306 Nos
Electric Detonator	- 470 Nos
Meggar Box	- 1 No
Paper Crakers	- 76 Kg
Small Balls	- 70 Grams

The effective implementation of L&O and Bandobust plan gave good dividends during the conduct of General Elections to Tamil Nadu Legislative Assembly, 2016. 19,319 licensed arms were either deposited or impounded or cancelled. Surveillance was geared up to ensure that no illicit arms manufacturing centres were in existence. 11,346 persons were bound over under preventive sections of Cr.PC (Code of Criminal Procedure) and 99 persons were bound down under preventive sections of Cr.PC. 13,095 Non-bailable warrants were executed. 289 incidents of violence related to poll campaign, political rivalry, etc. were booked. Only 125 persons were injured and the properties have been damaged to the worth of Rs.30,50,060/-. 396 Check Post were operational up to 19.05.2016. During the Assembly Election 3,160 hamlets are identified as vulnerable, 8,887 persons are identified as trouble mongers and preventive action has taken against 8,558 persons.

## Chapter – XV

### MEDIA

Media plays an indispensable role in keeping the spirit of Democracy alive. In the electoral context the role of media is more of information dissemination and “watchdog” role, right from day of announcement of elections by informing the public about the contesting candidates, their self declaration made in the affidavits filed during nomination to the declaration of results.

The important role played by the media in the electoral context includes;

- ◆ Educating voters on how to exercise their democratic rights;
- ◆ Reporting on the election campaign related issues;
- ◆ Providing a platform for the political parties and candidates to communicate their message to the electorate;
- ◆ Providing a platform for the public to communicate their concerns, opinions, and needs, to the parties/candidates.
- ◆ Highlighting and facilitating the political parties and candidates to debate on important public issues.
- ◆ Reporting timely results
- ◆ Ensuring transparency and giving confidence to the electors in the whole election management process.
- ◆ Facilitating timely information to the electoral machinery for ensuring a level playing field.

Hence the Media plays an important role as the biggest partner to Election Machinery in ensuring the conduct of free and fair elections, in addition to being a partner in SVEEP activities.

#### I. Publicity

Dissemination of information to the electors through the media was given prime importance. Realizing the importance of communication through media, regular press conferences were conducted and press releases were given on new initiatives and efforts taken to conduct free and fair elections in the State. Print and Electronic media were used as a partner to educate, motivate and inform voters. Audio/ Video materials and Video bytes of star icons and informative awareness posters were uploaded on you-tube and face book and “memes” on importance of voting to attract the citizens and young electors in Twitter pages of Chief Electoral Officer and also through other channels of mass media.

Doordarshan Kendra and All India Radio rendered a commendable support to CEO’s office, Chennai by telecasting the SVEEP awareness songs, short films and video bytes of star icons provided by CEO’s Office. In addition to that, Interviews/ Discussion with CEO and Joint Chief Electoral Officer of Election

Department on the theme of preparation for the run up to the General Elections to Tamil Nadu Legislative Assembly, 2016 were telecasted. Wide publicity was given on the issue of voter slips to all voters through election officials and call center telephone No. 1950. Programmes on voting through EVMs were telecast in the silent hours (48 hours before close of poll – after 5.00 p.m. on 16<sup>th</sup> May, 2016). Through Scroll voters were reminded on Do's and Don'ts on pre-poll day and poll day besides stressing the need to exercise their franchise.

All India Radio, Chennai broadcast programmes asking questions about the information in the first phase and in the second phase regarding voter's participation. Private FM channels like Big FM, HellOo FM and Radio Mirchi were also participated in electoral activities and contributed significantly.

## **2. Press Meets**

In addition to the regular interaction with the press during the preparatory stages of election, right from the date of announcement of General Elections to Tamil Nadu Legislative Assembly, 2016, regular Press Meets were conducted and press releases were given in respect of various elections related subjects with a view to ensure greater transparency of electoral activities. Press Releases, in addition to the above issues disclosed during the Press Meets were also given on various occasions. These regular press meets helped very much to ensure that, there is a continuous flow of information among all stake holders by ensuring greater transparency and participation.

## **3. Air Time on Doordarshan and All India Radio**

The initiative of providing slots by the Government media, Dooradarhsan and All India Radio, to recognized political parties for political campaigning through free use of the State owned Television and Radio was done during this year too. The facilities of use of broadcast time and telecast time are made available only to National Parties and Recognized State Parties. Uniformly on the Regional Kendra of Doordarshan network and All India Radio network in the State. The period of broadcast and telecast was between the last date of filing the nominations and ended two days before the date of poll in the State. PrasarBharati Corporation in consultation with the Commission decided the actual date and time for broadcast and telecast.

The guidelines prescribed by the Commission for telecast and broadcast were strictly followed. The parties were required to submit transcripts and recording in advance. The parties could get this recorded at their own cost in studios, which met the technical standards prescribed by the Prasar Bharati Corporation or at the Doordarshan/ All India Radio Kendras. They could in the alternative, have these recorded in the studios of Doordarshan and All India Radio by advance requests. Time Vouchers were available in the denomination of 1 to 5 minutes with one voucher having time allotment from 1 to 4 minutes and the parties were free to combine them suitably. The allotment of time to different political parties was given in the statement below :

#### 4. Media Monitoring and Certification of Advertisements

The Media Certification and Monitoring Committee was constituted in CEO's office for the State level and in each district for the district level. They were entrusted with the responsibility of pre-viewing, scrutinizing and certifying advertisements of political nature for telecast over Television channels and cable networks and broadcast on Radio, including private FM channels. Details of the certificates issued, following the instruction of the Election Commission of India and cleared applications relating to the Political parties/Contesting Candidates during the model code of conduct, by the Media Certification and Monitoring Committee (MCMC) are indicated in **Annexure 15.1**.

Arrangements were made both at the state level and the district level for 24 hours monitoring and recording of all prime television channels. At the State level the Media Room of the Directorate of Information and public relation in Secretariat building was utilized during General Elections to Tamil Nadu Legislative Assembly, 2016. Effective monitoring of all the important television channels was done and the instructions of ECI were followed.

## 5. Authority Letters

Rule 32 (c) and 53 (1) (b) of the Conduct of Election Rules, 1961, empowered the Election Commission of India to issue authority letters to media persons both for polling and counting, based on the recommendations of the State unit, Director of Information and Public Relation.

The Election Commission of India as a new initiative has directed to issue the Authority letters to the media through the District Election Officer's. Therefore, the lists of media permit to whom Authority letters to be issued for entry into polling station and counting centres were obtained in the first instance through the DIPR. Based on the requirement furnished by the District Election Officer's, Authority letters were supplied to the media through District Election Officer's

The Election Commission of India has already supplied the Authority letters to Chief Electoral Officer's office for the use of Press Reporters / Media persons (including private TV channels) for the General Elections to Tamil Nadu Legislative Assembly, 2016. Accordingly, the Election Commission of India has forwarded **7501 Authority letters (3,482 for Polling and 4,019 for counting centers)** to be issued to media persons for the General Elections to Tamil Nadu Legislative Assembly, 2016. Details of authority letters received, distributed to the Media persons through the Information and Public Relation Department are as follows :-

**6. Media Centre :-**

Based on the instructions of Election Commission of India, a Media centre was formed under the control of DIPR so as to monitor the television channels during the period when the campaign activities are prohibited and to report the events on pre-poll day and on poll day to the Election Commission of India. The reporting on poll events to the Commission was done in a format as prescribed by the Commission once in two hours, on pre-poll day and poll day. The report covered the events of money distribution, violent incidents etc., as reported in the television channels. This helped the election machinery to have close watch on the Law and order issues on the days of pre-poll and poll day.

**7. Challenges faced:-**

In Tamil Nadu, some of the major political parties have their own Media Channels. They used to take out their campaign activities round the clock during the elections in the name of NEWS events. These channels were telecasting campaign activities in the guise of news and were telecasting the incidence relating to their party campaigns on a continuous basis. It was therefore very difficult to ensure control over these channels and as a result the level playing field of campaigning for all the contesting candidates was affected.

## Chapter – XVI

### COMMUNICATION PLAN

Establishing a proper communication set up is very crucial on the day of poll to ensure timely information on any trouble, and appropriate and quick troubleshooting.

The issues of concern on the day of poll are:

- ◆ Whether polling parties had arrived at the polling stations
- ◆ Whether polling agents had arrived, and how many
- ◆ Whether poll has commenced after mock poll
- ◆ Checking violations of Model Code of Conduct
- ◆ Handling Law & Order issues
- ◆ Redressal of Complaints
- ◆ Handling obstructions to poll process due to technical reasons
- ◆ Any other significant matter during the poll including statistical information like poll percentage
- ◆ Departure of polling parties after the poll.

To address the above issues, the Communication Plan would have to link the following channels in each district:

- ◆ Polling Stations
- ◆ Zonal Officers
- ◆ Police Stations
- ◆ Assistant Returning Officers / Returning Officers
- ◆ District Election Officers

Then the Election Commission of India and the office of the Chief Electoral Officer would also have to access the above locations during the process of elections.

To achieve this, a 3-tier Plan linking Polling Stations, Returning Officer & District Election Officer's Offices were set in place. All available modern tools of Communication were used :

- ◆ Mobile Phones
- ◆ Landline Phones
- ◆ Wireless
- ◆ Runner where connectivity is a problem

Accordingly, a communication plan was prepared linking all such numbers right from the polling station to the office of the Chief Electoral Officer. Following numbers were collected for communication plan:

- i) Mobile Phone number of Presiding Officers.
- ii) Mobile Phone number of BLOs.
- iii) Phone numbers of individuals staying near the polling station.
- iv) Phone numbers of Zonal Officers.
- v) Phone Numbers of Police Stations.
- vi) Phone numbers of RO, ARO, DSP.
- vii) Phone numbers of SP, DEO.

Adequate care was taken on the following aspects also:

- ◆ Instructions were issued that precise questions and crisp answers on the communication network are must to avoid jamming of lines
- ◆ Mobile and Telephone authorities were kept on alert to avoid any breakdowns especially in the landline service.

### COMPLAINT CELL AND CONTROL ROOM

The election witnessed a massive participation by the public in ensuring that the elections are held in free and fair manner. They were pro-active in suggesting improvements and reporting abuse of the process, wherever witnessed. While many preferred to contact directly the CEO or the DEO over mobiles, systems were put in place both at the State and the district level to have a systematic registration and disposal of complaints.

#### a. Election Complaint Monitoring System (ECMS) and Call Centre

As in the case of election processes, the Election Commission of India wanted to upgrade the election related issues also technology driven. During the Lok Sabha Elections 2009, the Commission directed the establishment of proper system for monitoring the complaints pertaining to election matters including electoral rolls etc. Accordingly, a web based Elections Complaint Monitoring System (ECMS) was devised and used in the past Elections for which website address assigned was [www.elections.tn.gov.in](http://www.elections.tn.gov.in). User ID and password were created for each District Election Officer.

Continuing with the same system, a technological leap forward was done in 2016, by setting up an All India single toll free number 1950 for complaints and email complaints at [ceo@tn.gov.in](mailto:ceo@tn.gov.in) and WhatsApp complaints through 9444123456. A call centre was set up in CEO's office, where all complaints originating from the State had to land. The complaints were entered on the improved web based application called PGR (Public Grievance Redressal) System developed by the Office of the Chief Electoral Officer designed for the purpose. SMS were sent automatically by the system to the concerned authorities (F.S.T, S.S.T,V.S.T etc), whose numbers had already been fed into the system. The same PGR application was used by the Officials of the Control Rooms in all Districts. They had entered the details of Complaints viz., Name, Mobile Number, Address, Gist of complaint, etc., in the software and SMS would be sent to the concerned Officer to take action and simultaneously an SMS would also be sent to the petitioner with Complaint number. Separate IDs were created for the Officers. Using those IDs they could access this software and enter action taken details.

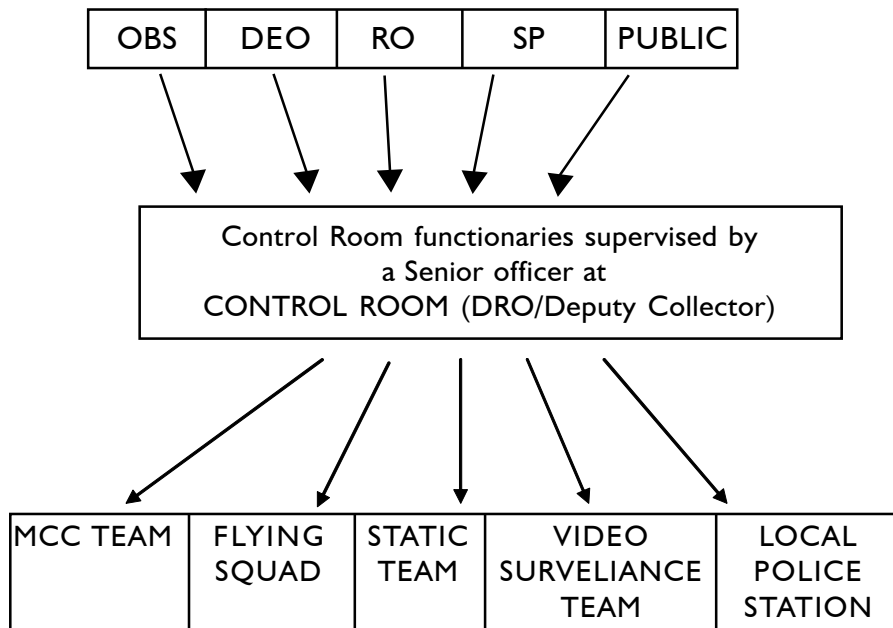

Once the action taken details are updated in the application, SMS would be automatically triggered to the complainant. The complainant can check the status of disposal in the same web application by entering the reference number. The ECI had monitored the entire process through this software.

#### b. District Control Rooms

Control Rooms were set up at the State Level and the District Level, with one of their objectives being monitoring of complaints received, directly in the district, and also through 1950. They were provided with a Separate Login IDs to register various complaints received from Public. All these complaints were also entered in the same PGR application. Each control room had its own toll free number also, which was also publicized. The phone numbers of the districts are given in **Annexure 17.1**. The district-wise details of complaints received are given in **Annexure 17.2**.

The district control room acted as the nerve center of election process. Following guidelines had been given regarding the functioning of the Control Room:

1. Control room should have one senior officer in each shift who can take decisions on complaints received.
2. All complaints should land at the complaint center – and from there instructions should be given to flying squads and static squads

3. No direct instructions to flying squads by anyone including DEOs – as far as possible, should be routed through control room
4. Observers stationed at the control room headquarters may visit every day and check register.
5. Other observers may attend control room once in 2-3 days and also meet other observers and DEOs there in control room
6. DEOs should spend some time in Control Room every day.
7. All instructions should be pasted on control room notice board
8. Control room also to be provided with police wireless control room mike

### ELECTION OBSERVERS AND MICRO OBSERVERS

Article 324 (6) of the Constitution of India and Section 20B of the Representation of the People Act, 1951 vest the powers with the Election Commission of India for appointment and deployment of adequate number of Observers to assist the Commission in discharging its Constitutional responsibilities for the Superintendence, direction and control of the process of General Elections to Parliament and Legislative Assemblies.

The Election Commission of India appoints senior officers of the Government from IAS, IPS, IRS and IC & CEs as General Observers, Police Observers and Expenditure Observers. Accordingly, 234 General Observers were deployed to monitor and supervise the General Elections to Tamil Nadu Legislative Assembly, 2016. The details of the same are given in **Annexure 18.1**. The Police Observers were also appointed at the rate of one per district. The details are given in **Annexure 18.2**.

In addition to that, 181 Expenditure Observers (two for per Assembly Constituencies, with minimum one for a district) were appointed to monitor and scrutinize the Expenditure incurred by the contested candidate during General Elections to Tamil Nadu Legislative Assembly, 2016. Details are given in **Annexure 18.3**.

The Observers were provided with the following facilities:

- i) Accommodation along with catering facility in Government Guest House / Circuit House. An (A.C) vehicle with personal Security Officer, Driver and Secretarial Assistance.
- ii) Telephone and fax facilities at the Circuit House or Guest House.
- iii) SIM Card to those Observers having mobile phone or provision of a mobile phone to each of them till the completion of Election process. Computer with internet facility for Group of Observers for their use during their stay in the District was also provided.
- iv) Liaison Officer for each Assembly Constituency (in the cadre of Tahsildar) was appointed to assist the Observers.

The General Observers reached their respective constituencies positively by 29.04.2016, the day of scrutiny of nomination papers of the contesting candidates and remained in the constituencies till the poll was over. The Expenditure Observers arrived on or after 21.04.2016 and were present in the constituency along with the General Observers. During their presence both General and Expenditure Observers effectively monitored strict enforcement of model code of conduct by the contesting candidates as well as political parties and implementation of expenditure guidelines to ensure that there was no violation of model code and under estimation of Election expenditure the lists of General and Expenditure Observers are appended. The Police Observer monitored the steps being taken by the law and order machinery to have a free and fair poll.

## Counting Observers

The Election Commission of India also appointed 234 Counting Observers to supervise the counting process and also declaration of results. The details are given in **Annexure 18.4**. These Observers ensured that the counting process was in conformity with the guidelines and instructions issued by the Commission. They satisfied themselves about the fairness of counting of votes and accuracy of compilation of results.

## Micro Observers for Poll

The Election Commission of India, in its letters No.464/OBS/ Misc/2008/PLN-I, dated 27-5-2008 and No.464/INST/2008/EPS, dated 21-1-2009 has directed to deploy Micro Observers from the panel of Gazetted officers / officials of the Government of India from different offices in the districts during elections. The Election Commission has prescribed detailed guidelines and a checklist in this regard. The District Election Officers prepared a list of polling stations under the supervision of General observers where these Micro Observers would be deployed. Such polling stations were short listed on the basis of various factors which contributed to the vulnerability of the voters. Such factors, for example, domination of one social group over other, inaccessibility of the area, EPIC non availability, previous history of violence, etc. were taken into consideration while doing the vulnerability mapping in the district as per the extant instructions of the Commission on this issue. It was ensured that every sensitive polling station had either CAPF or micro-observer or web-camera installed. Totally, 8,556 Micro Observers were deployed for the General Elections to Tamil Nadu Legislative Assembly, 2016. The details of micro-observers deployed are given in **Annexure 18.5**.

Since the officers appointed as Micro Observers were not aware of different aspects of election process, a basic training on election process on the day of poll had been imparted to them. The Observers trained the Micro Observers under their control. An illustrative training material exclusively prepared for Micro Observers in Microsoft Power point were distributed to the Micro Observers during the training session for their use.

On poll day, these Micro Observers ensured the strict observance of Election Commission of India's instructions regarding mock poll procedures, conduct of polling agents, proper identification of electors, secrecy of voting, application of indelible ink, maintenance of Form 17-A etc. As per instructions, they kept the observers informed any violation in conduct of poll.

## Micro Observers for counting

The Election Commission of India in its Letter No.464/INST/2009 EPS, dated: 18.03.2009 has stated that there would be one Government of India official on every counting table as Counting Micro Observer for counting purpose, for checking and ensuring the purity of counting process. Totally, 3,971 Micro Observers were deployed for the General Elections to Tamil Nadu Legislative Assembly, 2016. The details of micro-observers deployed are given in **Annexure 18.6**. The Micro

Observers were trained by the District Election Officers / Observers on different aspects of the counting process, besides operation of EVMs and their functions. The Micro Observers' basic responsibility was to ensure that the results at each polling station were correctly tabulated.

The Commission in its instructions dated: 07.05.2009 has also pointed out that the Counting Observer may deploy an additional Micro Observer for each of the Counting Halls under the observer to undertake the random parallel checking of any two EVMs / tables in every round of counting and to report to the Observer, to get themselves satisfied about the fairness of counting of votes and accuracy of compilation of results. The deployment of Counting Micro Observers at the level of each counting table and for parallel checking of randomly selected two EVMs at the end of each round of counting has completed the whole process of conducting fair poll.

### **Awareness Observers**

One Awareness Observer for two districts were deployed to oversee the efficient and effective management of the districts electoral process at the field level mainly in the field of Voter education and facilitation besides Media related aspects of RP Act and 'Paid News' during the General Elections to Tamil Nadu Legislative Assembly, 2016. The details of the same are given in **Annexure 18.7**.

### **Special Expenditure Observers**

In addition to the above Observers, 12 No. of Special Expenditure Observers(3 teams) were also appointed by the Commission to undertake a comprehensive review of poll-preparedness with particular reference to election expenditure monitoring for the General Elections to Tamil Nadu Legislative Assembly, 2016. Details are given in **Annexure 18.8**.

The Observers were provided with the following facilities:

- i) Accommodation along with catering facility in Government Guest House / Circuit House. An (A.C) vehicle with personal Security Officer, Driver and Secretarial Assistance.
- ii) Telephone and fax facilities at the Circuit House or Guest House.
- iii) SIM Card to those Observers having mobile phone or provision of a mobile phone to each of them till the completion of Election process. Computer with internet facility for Group of Observers for their use during their stay in the District was also provided.
- iv) Liaison Officer for each Assembly Constituency (in the cadre of Tahsildar) was appointed to assist the Observers.

## Chapter - XIX

### THE POLL

Poll for the 15<sup>th</sup> General Elections to Tamil Nadu Legislative Assembly was held on 16<sup>th</sup> May, 2016 in respect of 232 Assembly Constituencies (except 134.Aravakurichi and 174.Thanjavur Assembly Constituencies which is partially rescinded by the Election Commission of India on 28.5.2016. The hours of poll were specified as 7.00 a.m. to 6.00 p.m. The entire set of activities being taken up since the announcement of polls were geared up to make arrangements for the poll, including training of the polling personnel, procurement of election materials including EVMs, setting up the polling stations for the conduct of the poll, etc. Any irregularity in the conduct of poll can vitiate the election and, therefore, District Election Officers / Returning Officers had to ensure that the poll was conducted strictly in accordance with the law, the prescribed procedure and the instructions of the Election Commission.

#### Poll arrangements

Immediately after the list of contesting candidates was published, the District Election Officers / Returning Officers made the following arrangements towards the conduct of poll:

- i) Obtaining required no. of EVMs for use in Polling Stations, including reserve, and for training and subjecting them to Second Level Checking (Preparation) by technicians of BEL. The First Level Check (FLC) was already conducted even before the announcement of poll.
- ii) Printing of Postal Ballot papers, Ballot papers to be used on the ballot units of EVMs and the Ballot papers to be supplied at the Polling Stations for use as tendered ballot papers
- iii) Dispatch of postal ballots to service voters and distribution of Postal Ballots to polling and police personnel.
- iv) Issuing formal appointment orders for the Presiding Officers and Polling Officers for each polling station.
- v) Requisitioning of vehicles required for the poll including the vehicles required for transporting polling personnel and polling materials
- vi) Checking up the deployment of police forces and their movement to synchronize with the movement of the polling parties
- vii) Reviewing requirement of polling materials, including statutory and non-statutory forms, etc., in the light of actual no. of contesting candidates and total number of polling stations and their procurement
- viii) Publicity about the location of polling stations
- ix) Preparation of marked copy of electoral rolls.

- x) Distribution of polling materials to the polling parties
- xi) Arrangements for the return of the polling parties after the poll and the receipt of EVMs and other materials and election papers from them
- xii) Arrangements for the safe custody of EVMs and other election papers on completion of poll
- xiii) Arrangements for setting up counting centre(s)

### **Regulation of Plying of Vehicles**

Election Commission of India has issued well defined guidelines for regulating operation of vehicles during the election period and particularly on the day of poll with a view to cordoning off the polling areas from vehicular traffic to prevent voters from being carried in the vehicles arranged by candidates and their supporters. The candidates were issued permits by the District Election Officers/ Returning Officers for the vehicles and their agents used. The norms prescribed by the Commission in this regard were strictly adhered to.

### **Declaration of Poll Day as Public Holiday**

The poll was scheduled for 16<sup>th</sup> of May, 2016 by the Election Commission of India and the hours for the poll were from 7.00 a.m. till 6.00 p.m. The State Government declared a public holiday (G.O.(Ms.)No.407, Public (Miscellaneous) Department, dated 22<sup>nd</sup> April, 2016) State on the poll day under the "Explanation" to Section 25 of the Negotiable Instruments Act, 1881 (Central Act XXVI of 1881) read with the Notification of the Government of India, Ministry of Home Affairs No.20-25-26 Public-I, dated the 8th June, 1957, the Governor of Tamil Nadu hereby declares Thursday, the 16th of May, 2016, the date on which the poll for the General Elections to Tamil Nadu Legislative Assembly, 2016 will take place in Tamil Nadu, to be a public holiday.

### **Paid Holiday for Workers**

Section 135-B of the Representation of the People Act, 1951 as amended by the Representation of the People (Amendment) Act, 1996 has mandated the poll day to be paid holiday. Accordingly, all the departments of the Government barring the Law Department and the Legislative Assembly Secretariat were requested to issue necessary instructions to allow a paid holiday on the poll day for their workers and for the employees of all categories in factories, industrial establishments and Public Sector Undertakings under their administrative control based on the G.O. (Ms.) No.407, Public (Miscellaneous) Department, dated 22<sup>nd</sup> April, 2016. The Labour & Employment Department issued a press release requesting the employers of all factories, industrial and commercial establishments and shops in the State to grant a public holiday with wages.

## **Polling Parties**

The polling parties, viz., Presiding Officer, Polling Officer, Zonal Officers, etc. for taking the poll at the polling stations were appointed by the District Election Officer, whose primary duty was to ensure that such appointments are made well in advance as per the instructions of the Election Commission of India and the appointment orders were served on each of the polling personnel so appointed. The District Election Officers obtained a complete database of officers eligible for polling duties from respective authorities. From the above data base a list of required no. of polling personnel category-wise had been generated randomly, with 120% of the requirement being selected through randomization. This was the first randomization of polling personnel. In the second randomization the polling personnel were allotted Assembly Constituency, and were also formed into parties, without allotting the actual polling stations. In the third randomization, which took place two days before the polls, these parties were actually allotted the polling stations. The results of the third randomization were kept in sealed covers by the Observers and were issued to the polling parties one day before the poll during the third training. The District Election Officers and Returning Officers made suitable arrangements for the polling parties to reach the polling stations in difficult areas on the day after 3<sup>rd</sup> randomization preceding the date of poll. A reserve list of Presiding and Polling Officers for the constituency was also kept ready to deal with emergencies at any of the polling stations in the constituencies as well as for conducting re-poll, if required.

## **Polling Materials**

Based on the assessments made well in advance polling materials were procured and according to Election Commission's instructions, the District Election Officers / Returning Officers were instructed to see that all necessary polling materials, including the EVMs are supplied to each polling station. For this, a standard list of polling materials was supplied to all the District Election Officers. The Presiding Officers were made primarily responsible for the 100% safety and security of the EVMs and warned that they would be answerable for any damage to the machine due to negligence of polling personnel.

## **Transport of Polling Materials**

There were totally 5,670 Zones for the General Elections to Tamil Nadu Legislative Assembly, 2016 and for each zone, based on the carefully drawn movement programme, the District Election Officers and the Returning Officers arranged for the transport of the polling materials, like Voting Machines, Zonal parties, etc. Similarly, after drawing up of the Zonal (sector) movement plan of polling parties / security forces, the Zonal Officers took possession and delivered the EVM and other election materials (statutory and non-statutory forms) to the Polling Stations in time on the Pre-poll day itself. Before polling materials were taken to polling stations, all polling personnel had moved to their respective polling stations and received the EVMs along with other materials delivered by zonal parties. For this, the District Election Officers had mobilized sufficient vehicles and kept them at their disposal.

## **Accommodation and Food for Polling Parties**

Due to deployment of polling personnel based on randomization, all of them have to work in the polling stations which are far off from their regular working / native place. So accommodation for their stay on pre-poll day, food, drinking water facilities & toilet facilities for polling personnel, especially for female polling personnel with due regard to their privacy, were to be ensured. The District Election Officers were duly instructed to arrange for these facilities through the local VAOs and the BLOs concerned.

## **Facilities to voters**

Having realized the difficulties of the senior citizens and differently abled persons, the Commission had directed for a separate queue for them at the polling station to easily cast their votes. All polling stations were made disabled-friendly by providing ramps. The Election Commission of India has also directed that infirm voters and women voters with babies in arms should be given preference over other voters in queue. Since, poll was held in hot summer, the voters were allowed to stand in queue in sheltered area, like verandah before the polling station. Wherever necessary/possible, pandhals were arranged to be put up for the voters to wait in the queue even if it entailed some additional expenditure.

## **Arrangements at polling stations**

The polling parties reached the assigned polling stations on the day previous to the day of poll and set up the polling station, strictly following the instructions of the Election Commission of India especially with regard to setting up of the voting compartment in such corner of the room that the voter is able to record his vote with complete secrecy. The Presiding Officers made necessary arrangements for setting up of the EVM, particularly the Control Unit, for conducting the mock poll for the satisfaction of the polling agents the next day an hour before commencement of regular poll.

## **Polling Agents**

It was the direction of the Election Commission of India that Polling Agents (PA)/ Relief Agents (RA) must be registered electors of the same Polling Station area or in the alternative from the neighboring Polling Stations falling in the same Constituency & such Agents must possess EPIC which should be prominently displayed on the person before he/ she approach the Presiding Officer with Form-10. He/ she should also bring the Xerox copy of page of the latest electoral roll attested to that effect by the candidate/ the election agent that proved his right as an elector.

The polling agents had to reach their polling stations at least an hour before the time fixed for the commencement of poll. During this one hour's time, the Presiding Officers conducted the mock poll to the satisfaction of the polling agents.

Suitable seating arrangements were made for polling agents at the Polling Stations on the day of poll so that they had adequate opportunity to identify the electors, see the entire operation at the Presiding Officer's or the 3rd Polling Officer's table where the CU was kept, and also see the movement of the elector from the Presiding Officer's or the 3rd Polling Officer's table to the voting compartment and the elector's exit after he had recorded his vote on the BU kept inside the voting compartment. Seating arrangement at the polling stations for polling agents of candidates was made in the order of priority as follows;

- i) candidates of recognized National parties
- ii) candidates of recognized State parties
- iii) candidates of recognized State parties of other states who have been permitted to use their reserved symbols in the constituency
- iv) candidate of registered unrecognized parties, and
- v) independent candidates

Polling Agents were not allowed to either leave the polling station or have a replacement agent two hours before the end of the poll.

## Poll

The poll for the General Elections to Tamil Nadu Legislative Assembly, 2016 was concluded smoothly and peacefully on 16<sup>th</sup> May, 2016. The polling percentage was 74.84% respectively. The constituency-wise poll percentage is given in **Annexure 19.1**.

## Re-poll

Re-poll was ordered by the Election Commission of India in the following polling station:-

Sl. No.	Name of the district	No. & Name of the Assembly Constituency	No. & Name of the Polling Station	Date of Re-poll	Reason of Re-poll
I.	Tirunelveli	222.Tenkasi	56 Arulmigu Ponambalam Middle School	18.05.2016	Proceeded with the main poll, without erasing results of the mock poll.

As per the direction of the Election Commission of India, the re-poll was conducted on the above mentioned date. The above re-poll went on peacefully.

## Chapter - XX

### COUNTING OF VOTES AND DECLARATION OF RESULTS

Counting of votes was held on 19<sup>th</sup> May, 2016 (Thursday) as per the schedule of the Election Commission of India. Great attention was paid not only on the actual counting of votes but also in maintenance of discipline inside the counting halls. Higher level of transparency in the counting process right from the beginning till the end had been insisted by Election Commission of India.

For 232 Assembly Constituencies (except 134.Aravakurichi and 174.Thanjavur Assembly Constituencies which is partially rescinded by the Election Commission of India on 28.05.2016, 232 counting centres were set up at 68 locations. These centres were located in Colleges and Higher Secondary Schools. The District Election Officers had selected suitable buildings in the Colleges / Higher Secondary Schools and sent proposals to the Election Commission of India through the Chief Electoral Officer. The approval of the Commission was obtained and communicated to the District Election Officers concerned. The list of counting centres is given in **Annexure 20.1**. Distinct number was assigned to each counting centre and within each centre each counting hall was also assigned distinct number.

In most of the counting centres, 14 tables were provided in addition to one for the Returning Officer. At certain Assembly Constituencies depending upon the availability of space / man power and depending upon the no. of polling stations either 10 or 12 or 20 or 24 were put. The details are given below:-

<b>Abstract on No. of Counting Tables used during the General Elections to Tamil Nadu Legislative Assembly, 2016</b>					
<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>	<b>6</b>
No.of ACs having 10 counting tables	No.of ACs having 12 counting tables	No.of ACs having 14 counting tables	No.of ACs having 20 counting tables	No.of ACs having 24 counting tables	Total
<b>9</b>	<b>2</b>	<b>217</b>	<b>3</b>	<b>1</b>	<b>232</b>

One Counting Supervisor and one Counting Assistant per table were appointed for counting of votes. Totally 9,621 counting personnel were deployed, adopting randomization procedure. Each counting official was assigned a unique serial / code number. Randomization was done either manually or by using a computer and in both the cases the whole process was videographed.

The General Observer was to play a coordinating role in the counting process ensuring accurate compilation and tabulation of data and the declaration of result by the Returning Officer.

According to the instructions of the Election Commission of India, one Central Government employee was appointed as Micro Observer for every counting table for supervision. Among the reserved pool of Micro Observers, the Observer was permitted by the Commission to engage an additional Micro Observer for each of the counting halls to undertake the random parallel checking of any two EVMs per table in every round of the counting and to report to the observer. Totally 3,971 Micro Observers were deployed under the above categories during the General Elections to Tamil Nadu Legislative Assembly, 2016.

### **Recording of counting process**

The entire counting process was videographed. Video coverage was include the randomization process, the process of opening of strong room, transfer of EVMs from strong room to counting hall, counting hall arrangements, process of counting in general in the counting hall and process of tabulation in general at the Returning Officer's table, the process of counter checking of two EVMs by the Observers and security arrangements in and outside the counting hall / centre, presence of candidates and their agents in the counting centres and the process of declaration of result, handing over of certificate of Return of Election, sealing of EVMs after counting and any other significant events of the counting process.

### **Security Arrangements made for EVM Strong Rooms.**

After the closure of the poll on 16.05.2016, the polled EVMs and other materials of the 232 Assembly Constituencies were brought to the respective counting centres with adequate armed security. The boxes containing the machines were arranged in the storage room horizontally by keeping the Control Unit over the Ballot unit for each polling station. The rooms were sealed with the seal of the Returning Officers. The sealing was done in the presence of candidates and their representatives and their signatures were obtained on the seal. CAPF men were deployed in the inner perimeter of the counting centres inside which both the Strong Rooms as well as Counting Halls were located. The contesting candidates were permitted to post their agents round the clock to keep watch at the place where the polled EVMs were stored till the counting. 24×7 recording of the entry points of the strong room were done using web cam and lap tops.

### **Security of Counting Centres**

The following three tier guarding system was set up in all counting centres:-

- (i) First tier, which is the innermost perimeter, was CAPF guard.
- (ii) Second tier was a guard of State Armed Police
- (iii) Third tier was a guard of District Executive Force.

## Process of counting

The counting of votes in 232 Assembly Constituencies was taken up at 8.00 a.m. on Thursday, the 19<sup>th</sup> May, 2016. The Observers of the ECI supervised the entire event.

Under Rule 54A of the Conduct of Elections Rules, 1961, the postal ballot papers should be counted first and, accordingly, counting of postal ballot papers was taken up at 8.00 a.m. and after a gap of 30 minutes, the counting of votes in the EVMs was commenced at all counting centres. The result button was pressed and the total votes polled in each machine and the votes secured by each candidate were noted in Form-17C. The Commission had directed all Observers to keep a close watch on the process of counting of votes and compilation of results. Before declaration of results the Returning Officer was to obtain an authorization from the Observers concerned. Every Observer completely satisfied himself about the fairness of counting of votes and complete accuracy of compilation of results in respect of each and every Assembly Constituency.

Further, following actions were taken based on Election Commission's directions during the counting of votes:-

- 1) The candidate or their Election Agent was restricted to the head table, i.e. table of Returning Officer. While, they could move around to meet their agents sitting outside the wire mesh, they were not allowed to go inside the wire mesh as it could disturb the counting process.
- 2) Media persons were permitted to carry mobile phones only upto Media Centre in counting location. Mobile phones were not be carried or used outside the Media Centre.
- 3) Copies of round-wise result sheet were given by the Returning Officer to the candidates and their election agents as soon as result of that round is declared by the Returning Officer.
- 4) Certificate of Election in Form-22 were given to the elected candidate only in the presence of Observer. The entire event was videographed.

## Control Room

As in the case of poll day, on the day of counting i.e., on 19.5.2016, the Control Room formed in the office of the Chief Electoral Officer played a vital roll for establishing a proper communication system throughout the counting process from the commencement of counting till the declaration of the result in each Assembly Constituency.

The team of officials posted in the Control Room promptly collected the statistics of round-wise counting and information of declaration of results. e-mail IDs were created for getting the Form-20 details in Excel format from the Counting Centres. The Programmers and Assistant Programmers were deputed for receiving this e-mail from the counting centres. Form-20 information sent from the counting centres were directly stored in the server by the programmers. A common sheet was designed in .XLS file to know the Winner, Runner details and Leading & Trailing information. Whenever

the round wise information was received from the district and copied into the folder, the common sheet would automatically get updated and displayed all the information for that particular Assembly Constituency. This was also hosted on the web-site to enable people to access the information. On completion of all the rounds at the counting centres, Form-20 pertaining to each Assembly Constituency was received through e-mail in the same channel and hosted in the Chief Electoral Officer's office website for public access.

This arrangement enabled the CEO's office to know the status and trends of results then and there during the day of counting.

### **Declaration of results**

After the counting had been completed in all respects formal declaration of the results for the 232 Assembly Constituencies were made from the afternoon on the day of counting, i.e. 19<sup>th</sup> May, 2016. The process of the counting came to an end only after completing and signing of the Result Sheet in Form-20 appended to Conduct of Elections Rules, 1961, handing over the official Declaration of Results in Form-21C and Return of Election in Form-21E to the candidates and sending a copy each of the above forms to the CEO for onward transmission to the ECI.

The results of the election are given in **Annexure 20.3**(winners and losers) and **Annexure 20.4** (party-wise performance). The detailed analysis of the results are hosted on the website "**elections.tn.gov.in**"

After declaration of the result, the Returning Officers handed over the Certificate of Election in Form-22 to the elected candidates of the constituencies. All the District Election Officers submitted a copy each of the Declaration of Results in Form-21C and Return of Election in Form-21E to the Chief Electoral Officer's office on 20<sup>th</sup> May, 2016.

Totally, 3,232 candidates forfeited their deposits during these elections. The constituency-wise figure is given in **Annexure 20.4**. The Public (Establishment-I & Legislature) Department issued Notification for dissolving the Fourteenth Tamil Nadu Legislative Assembly on 21.05.2016. Based on the Declaration of Results in Form-21C, the Due Constitution Notification under Section 73 of the Representation of the People Act, 1951 for the Fifteenth Tamil Nadu Legislative Assembly was published on 21<sup>st</sup> May, 2016, after obtaining the approval of the Election Commission of India.

A copy each of the Declaration of Results in Form-21C and Return of Election in Form-21E were handed over to Shri. Malay Mallick, Secretary, Election Commission of India (camp at Chennai) on 20<sup>th</sup> May, 2016.

The Election Commission of India had recommended under Article 324 of the Constitution and Sections 15, 30 and 153 of the Representation of the People Act, 1951, read with Section 21 of the General Clauses Act, 1897 and all other powers enabling it in this behalf, the election process in respect of 134.Aravakurichi and 174.Thanjavur Assembly Constituencies which was partially rescinded by the Election Commission of India. The Commission has stated that fresh elections on the above two Assembly Constituencies may be conducted *de-novo* when the atmosphere become conducive for holding of free and fair elections after a reasonable lapse of time – vide *the Election Commission of India, in its proceedings No.464/TN-LA/2016, dated: 27<sup>th</sup> May, 2016.*

The Election Commission of India had announced the poll schedule for the General Elections to the above two Assembly Constituencies, viz. 134. Aravakurichi and 174.Thanjavur Assembly Constituencies on 17.10.2016. The official Notification for conduct of elections was issued on 26.10.2016. The poll schedule was announced as follows:-

Filing of nominations and issue of Notification	26.10.2016 (Wednesday)
Last date for making nominations	02.11.2016 (Wednesday)
Date for Scrutiny of Nominations	03.11.2016 (Thursday)
Last date for withdrawal of candidatures	05.11.2016 (Saturday)
Date of poll	19.11.2016 (Saturday)
Date of Counting	22.11.2016 (Tuesday)
Notification issued	23.11.2016 (Wednesday)

The counting of votes was taken up on 22.11.2016 and the Notification for Due Constitution in respect of 134.Aravakurichi and 174. Thanjavur Assembly Constituencies was issued on 23.11.2016 under Section 73 of the Representation of the People Act, 1951

## Chapter - XXI

### USE OF TECHNOLOGY

#### Control Room in the office of Chief Electoral Officer:-

As per the direction of the Election Commission of India, a Control Room was formed from 29.04.2016 to 20.05.2016 in CEO's office and a team of twenty Officers in the rank of District Revenue Officer were positioned in the Control Room with each officer in charge of one-three districts to monitor the election process, Complaint Monitoring System etc., in the Districts for the General Elections to Tamil Nadu Legislative Assembly, 2016 and the following works were assigned to the above District Revenue Officers :-

Sl.No.	Task
(i)	Election Process for the General Elections to TNLA, 2016
(ii)	Web site online application for Election Management
(iii)	Call Centre-Control Room – Interface

Twenty systems with the broad band connectivity were provided for updation of data.

There were numerous reports/ data which were collected from the Districts, processed at CEO's office and then the information fed to Election Commission of India. Since Elections processes are time-bound, these reports were sent as and when required by the Election Commission of India. Press was also continuously informed on the poll situation.

The Control Room served a dual purpose, i.e., apart from collecting data from the districts, processing it and feeding the processed information to the Election Commission of India, the Control Room was also used by the public to give complaints before elections and on the poll day. Sufficient staffs were positioned to work round the clock in the Control Room to look into the grievances of the public, political parties and the candidates. As many as 147 whatsapp complaints were received for which swift remedial action was taken.

#### Creation of Call Centre for receiving complaints from the public:-

A 50 seater call centre was set up in CEO's office with round the clock service for the redressal of public grievance such as electoral roll, EPIC, Model Code of Conduct/ Expenditure complaints etc., with the **toll free number (1950)** in the office of the Chief Electoral Officer from 04.03.2016 to 19.05.2016, where all complaints originating from the State. The complaints were entered on the web-site designed for the purpose, and then SMS messages were sent by the system to the concerned authorities, whose numbers had already been fed into the system. A separate web based software designed by Election Commission was used by the Officials of the Control Rooms in all Districts.

They entered the details of Complaints viz., Name, Mobile Number, Address, Gist of complaint, etc., in the software and SMS could be sent to the concerned Officer to take action and simultaneously an SMS could also be sent to the petitioner with Complaint number. Separate IDs were created for the Officers. Using those IDs they could access this software and enter action taken details. The ECI had monitored the entire process through this software.

The recipient of the SMS, had to open the website, take details of the complaint, redress the same and update the website accordingly. On receipt of update information, the system would also send a SMS to the complainant on the action taken.

During the General Elections to TNLA 2016 (i.e. from 04.03.2016 to 20.05.2016) 5,69,567 calls were received and answered. In Public Grievance Redressal System, 27,196 complaints were received and 1,647 complaints received through whatsapp, actions were taken immediately in respect of those complaints.

### **Global Positioning System (GPS):-**

As per the directions of the Election Commission of India, all the District Election Officers have already been requested to form the various team like Flying Squad, Static Surveillance Team for the Election Expenditure Monitoring in connection with the General Elections to Tamil Nadu Legislative Assembly, 2016. All the District Election Officers were empowered to procure and provide GPRS kits to Flying Squad (FST) vehicle to watch the movement of the Flying Squad (FST) by the District Administration. The movement of the above vehicles were also monitored by the Control Room functioned in the office of Chief Electoral Officer.

### **Videography of Critical events:-**

The Election Commission of India has already issued standing directions that all Critical events relating to the conduct of elections by the election authorities as well as the election campaign conducted by candidates and their political parties should be videographed. Instructions were also issued that the Observers of the Commission shall also get the events videographed, which they consider as having important bearing on the conduct of elections. In particular, the Commission has instructed that the Observers and other officers concerned with the conduct elections should keep a watch on code of conduct, including election expenses of the candidates and political parties and have the public meeting, speeches and processions of important leaders videographed, so as to serve as evidence in any examination by the Commission. Following items considered for special watch and videography:-

- ◆ Meeting by Ministers, top level of organized parties.
- ◆ Riots or riotous situations or commotions, brick batting, free-for-all etc.
- ◆ Violent incidents, damaging of property, looting, arson, brandishing of arms etc.
- ◆ Booth capturing
- ◆ Intimidation of voters

- ◆ Inducement/bribing of voters by distribution of items like saree, dhoti, blankets etc.
- ◆ Canvassing within 100 meters of polling station.
- ◆ Vulgar display of expenditure like huge cutouts etc.
- ◆ Movement and activities of candidates with doubtful/criminal records
- ◆ Hypersensitive & sensitive polling stations
- ◆ Important events such as nomination, scrutiny and withdrawal of candidatures
- ◆ Preparation of EVMs by ROs
- ◆ Closure of strong room after deposit of EVMs therein
- ◆ Opening of strong rooms before taking out the EVMs for counting
- ◆ Counting process

2. The Election Commission of India, New Delhi in their instructions on ‘Election Expenditure Monitoring’ have issued instructions regarding formation of Video Surveillance Teams, Flying Squad (tackling illegal cash transactions or any distribution of liquor or any other items suspected of being used or bribing the voters) and Static Surveillance Team (This team shall put check posts and keep watch on movement of large quantities of cash, illegal liquor, any suspicious item or arms being carried in their area)

Based on that, all the District Election Officers were requested to engage the Videographers to take video graphs of critical events and Election Expenditure Monitoring for the General Elections to Tamil Nadu Legislative Assembly, 2016. Moreover, all the District Election Officers were requested to call for tenders to engage the videographers to take video graphs of critical events and Election Expenditure Monitoring for the General Elections to Tamil Nadu Legislative Assembly, 2016 as per the provisions contained in Tamil Nadu Tenders Act, 1998 and Rules amended in 2000.

### **Web Streaming:-**

During the General Elections to Tamil Nadu Legislative Assembly, 2016, M/s. ELCOT, Chennai was appointed as the Agency for choosing a suitable agency for Web Streaming of poll proceedings. M/s. ELCOT Limited, Chennai had selected the vendor as per the provisions contained in Tamil Nadu Tenders Act, 1998 and Rules amended in 2000. Out of 66,007 Polling Stations, this department had proposed to implement web streaming in 30,000 Polling stations (which was found as critical and vulnerable). Finally, it was decided to carry out in 26,548 Polling Stations where net connectivity was feasible. The concurrent hits of web streaming achieved in 26,985 Nos. of Polling Stations on the day of Poll (after deducting 295 Polling stations covered at 2 AC's planned for web streaming at Aravakuruichi in Karur district and Thanjavur AC in Thanjavur District) for the General Elections to Tamil Nadu Legislative Assembly, 2016 successfully. Offline recording was taken up in 1,146 Polling Stations which were identified as critical/vulnerable and where the net connectivity was not feasible.

## Chapter - XXII

### EXPENDITURE ON ELECTIONS

Expenditure on elections is divided into two broad categories viz. i) Expenditure by the Government (Central/State/both) and ii) Expenditure by contesting candidate/the political party. While expenditure by candidates has been dealt in Chapter 13, this chapter deals with expenditure incurred by Government in conduct of elections.

Government of India and the State Government bear the expenditure on elections either individually or equally depending upon the election whether it is for Lok Sabha/Legislative Assembly or simultaneous elections for both Lok Sabha and Legislative Assembly. The expenditure for Lok Sabha Elections is borne entirely by the Central Government. In the case of Assembly Elections, it is met out by the State Government and if it is simultaneous elections, the expenditure is shared equally by both Governments. Also common items like salary of regular staff and expenditure related to rolls/EPIC is shared by the Central Government and the State Government equally. However, the State Government bears the entire expenditure for Law and Order maintenance during the entire period of election, either for Lok Sabha or for Legislative Assembly or for both simultaneously, in as much as the Constitution has stipulated “Public Order” as State subject.

Various elements of expenditure in conduct of elections are:

- i) Preparation of Electoral Rolls
- ii) Printing and distribution of EPICs
- iii) Implementation of SVEEP and Celebration of National Voters Day, Advertisement and Publicity
- iv) Expenditure Control Mechanism, including various Teams/Committees such as (a) Flying Squads (b) Video Surveillance Teams (c) Static Surveillance Teams (d) Video Viewing Teams (e) Accounting Teams (f) Media Certification and Monitoring Committee (g) Call Centre and Control Room h) Expenditure Observers i) Assistant Expenditure Observers
- v) Video-graphy of significant events/incidents; Videography/Web casting on the day of poll
- vi) Polling Personnel Training
- vii) Polling Personnel, including Zonal Officers, Polling Station officials, Counting Personnel, Ex-servicemen, retired Police Personnel and NSS volunteers
- viii) Honorarium to Regular Staff
- ix) Motor Vehicles-cost of POL, Batta for Drivers
- x) Supply of Election Materials, including ballot paper printing and distribution, and printing of forms & stationeries

- xi) EVM FLC and Preparation
- xii) Telephone charges (including expenditure on casual, temporary line and cellphones provided to Returning Officers / Observers and Officers in Public (Elections) Department.), communication infrastructure and network (such as leased lines and broadbands)
- xiii) Travel expenses
- xiv) Salaries and allowances of Special Staff for the conduct of General Elections
- xv) Minor Works / Charges for barricading and security arrangements made in the counting centres.
- xvi) Transport charges and hire charges for the vehicles requisitioned for election work.
- xvii) Arrangements at Polling Stations / Counting centres, including ramps
- xviii) Arrangements for Observers
- xix) Security, including for CAPF
- xx) Other contingent expenditure.

The total expenditure incurred as per bills raised so far for Legislative Assembly Elections in 2016 was Rs 236,56,62,871 Crores, excluding bandobust and security arrangements and the maintenance of law and order. Details of expenditure incurred for critical functions/activities in the districts such as Expenditure monitoring, Polling personnel training, POL/Fuel charges, SVEEP activities, Procurement of election materials, etc. are furnished in the **Annexure 22.1**.
